IGNITE CAMPAIGN
Supporting student success, groundbreaking research and strengthening our ties to communities

Campaign goal: $15 million
Progress to date: $12.3 million

27 new gift funds, including 16 student scholarships, created during the campaign

Your contributions allow us to smoothly continue our studies, especially during an emergency or time of crisis. I am deeply grateful to donors for supporting the diverse student body at AHS.

Rachael Wanjagua, disability studies doctoral candidate, AHS Class of 2024

We support AHS to help provide educational opportunities to traditionally underserved students. Our hope is that diversity in the health care professions leads to improved health for those from historically marginalized communities.

THE IMPORTANCE OF YOUR DONATION

Through gifts, donors call us to action: to elevate our students’ education from the transactional to the experiential; create and expand programs that serve communities; and recruit the brightest scholars and researchers.

TRANSFORMING health care practice and social systems through discovery and advocacy

PREPARING students to effect change by creating access to excellence

EMPOWERING individuals to live healthy and self-determined lives
