## Education and Training

### Academic Training

- 2012 Doctor of Public Health (DrPH) - 5 Core Public Health Areas & Public Health Informatics Specialization.  
University of Illinois at Chicago.
- 2004 Master of Public Health (Major/Specialization: Public Health, Public Health Informatics)  
University of Illinois at Chicago.
- 2000 Bachelor of Science Anthropology  
University of Illinois at Chicago.

### Certificate Training

- 2014 Quality Matter Peer Review Course Certification  
Quality Matters Program
- 2014 Quality Matter: Applying the Quality Matters Rubric Certification  
Quality Matters Program
- 2013 Sloan Consortium Online Teaching Certificate Program  
Sloan Consortium

---

## Academic, Administrative, Other Appointments

### Current and Joint Faculty Appointments

*Clinical Assistant Professor, Department of Biomedical and Health Information Sciences*  
UIC College of Applied Health Sciences

### Faculty History

Aug 2017  
to present  
University of Illinois at Chicago  
Clinical Assistant Professor  
Biomedical and Health Information Sciences

College of Applied Health Sciences

2018 to present	University of Illinois at Chicago Faculty Fellow, Honors College
2015- 2017	Assistant Professor South University Online College of Nursing and Health Sciences
2015	Adjunct Faculty Member Excelsior College College of Health Sciences
2012- 2015	Assistant Professor of Health Care Informatics American Sentinel University Department of Informatics, Management and Technology
2012	Adjunct Faculty Empire State College-SUNY

**Administrative Appointments**

2015- 2017	Assistant Program Director of Public Health South University Online College of Nursing and Health Sciences
2011-2012	STEM+ Online Education Project Coordinator Online Learning Consortium formerly Sloan Consortium
2006-2017	Research Information Specialist (Part-Time) University of Illinois at Chicago Department of Medical Education
2005- 2006	Research Information Specialist (Full-Time) University of Illinois at Chicago Department of Medical Education

**Grants and Contracts**

---

**Current**

ID Number	095567
Funding Agency	American Medical Informatics Association
Title	Augmented and Virtual Reality Technology to Enhance Consumer Health Education
Role	PI
Total Project Period	AY 8/2019-7/2021
Total Costs	\$5,000

The purpose of this grant to is develop and assess the feasibility of using augmented and virtual reality 3D technology application to enhance consumer health education for both professionals and consumers/patients..

## Past

ID Number	Not Applicable
Funding Agency	Fulbright US Student Program
Title	Obesity Rates in Poland
Role	PI
Total Project Period	AY 2005- 2006
Total Costs	\$25,000

The purpose of the study was to examine the trends in overweight and obesity as measured by the average Body Mass Index (BMI) among Poland's adult population. The correlation of the the extent to which adult overweight/obesity in Poland are related to socioeconomic privilege, area of residence, gender, age and education.

---

## Honors and Awards

---

2018 – Present	University of Illinois at Chicago, Honors College Faculty Fellow
2014	American Sentinel University, Teaching Award
2005	Fulbright Research Scholarship, Fulbright US Student Program, Warsaw, Poland
2000	UNESCO American Teaching Program, Krakow, Poland
1996	UNESCO American Teaching Program, Krakow, Poland
1996	Catholic University of Lublin, Cultural Institute in Rome, Italy
1993	Jagiellonian University, Krakow, Poland, Native Speaker Certification

---

## Invited Lectures/Panel/Workshops

---

2019

- Czart M. (Lecture). Patient Engagement Applied to Health Technology. University of Illinois at Chicago, College of Applied Health and Sciences, AHS 402: Inter-professional Practice, Bachelor of Science Rehabilitation Program , Chicago US, October 14<sup>th</sup> & 16<sup>th</sup>, 2019
- Czart M. (Panel). University of Illinois at Chicago New Faculty Orientation. University of Illinois at Chicago, Chicago, US, August 21, 2019
- Czart M. (Lecture). Patient Engagement Applied to Health Technology. University of Illinois at Chicago, College of Applied Health and Sciences, AHS 402: Inter-professional Practice, Bachelor of Science Rehabilitation Program , Chicago US, March 6, 2019.

---

## Conferences

---

### Conference Planning Committee

2016-2017	Illinois Public Health Association 75th Annual Meeting Planning Committee
2016-2017	Illinois Public Health Association 75th Annual Meeting Planning Committee - Technical Program Planning Committee
2016-2017	Illinois Public Health Association 75th Annual Meeting Planning Committee - Exhibitor Planning Committee

### Conference Presenter

2019	Czart M. "Scaffolding A Program: Building Knowledge & Skills One Course At A Time", Online Learning Consoritum Accelerate Conference, Orlando Florida
------	-------------------------------------------------------------------------------------------------------------------------------------------------------

- 2019 Czart M. "Patient Engagement for Health Care Quality: Initiative to Educate Professionals and Patients". Queens University. Poster Presentation, Ontario Canada
- 2018 Czart M., "Course Quality Assurance for Online and Blended Learning Courses". University of Illinois Tech Conference. Abstract Accepted – Conference Canceled due to low abstract submission.
- 2016 Czart M., "Motivational Interviewing (MI): Strategies for Student and Faculty Engagement". South University Institutional Virtual Conference", November
- 2014 Czart M, "Before and After the Sloan-C Certificate Program: An Assistant Professor Perspective". Sloan Consortium Annual Conference, October
- 2013 Czart M. "Challenges of Course Development for an Interdisciplinary Program in Health Care Informatics-In Progress". Sloan Consortium Annual Conference, October
- 2013 Czart M. "Challenges of Course Development for an Interdisciplinary Program in Health Care Informatics-In Progress". Sloan Consortium Annual Conference, November
- 2013 Czart M. "Obesity Awareness through Virtual Simulations" Sloan Consortium Annual Conference, October
- 2010 Stapleton G., Yudkowsky R. Czart M., "Second Life Institute of for Clinical Education". American Association of Medical Colleges. November
- 2007 Czart M. "Health Effects of Anesthetic Agents on Operating Room Personnel: Sevoflurane and Nitrous Oxide". University of Illinois at Chicago. November
- 2006 Czart M. "The Prevalence of Overweight and Obesity Among Poles". National Institute of Hygiene. Warsaw, Poland. June

### **Conference Participant**

- 2019 Online Learning Consortium Annual International Accelerate Conference
- 2019 Queens University Health Quality Research Forum
- 2016 American Medical Informatics Annual Symposium in Chicago
- 2014 20th Online Learning Annual International Conference on Online Learning
- 2014 iHT2 Health IT Summit in Denver
- 2014 Health Information and Management Systems Conference – Virtual Attendee
- 2014 19th Sloan Consortium Annual International Conference on Online Learning Conference
- 2013 Advances in Health Informatics Conference – National Institutes of Health Informatics Canada
- 2012 18th Sloan Consortium Annual International Conference on Online Learning Conference
- 2011 17th Sloan Consortium Annual International Conference on Online Learning Conference
- 2010 16th Sloan Consortium Annual International Conference on Online Learning Conference
- 2009 15th Sloan Consortium Annual International Conference on Online Learning Conference

---

### **Professional Activities, Organizations and Societies**

#### **Service to Professional Societies and Program Committees**

- 2019-Present CAHIIM Health Informatics Accreditation Council Member
- 2019-Present Queens University, Ontario Canada – Health Quality Research Committee
- 2018-2019 Co-Chair of Illinois Public Health Association – Epidemiology and Health Statistics Section
- 2016-2017 Illinois Public Health Association, Policy and Legislative Committee

#### **Manuscript Reviewer**

- 2016- Present Journal Editorial Reviewer, Obesity and Weight Management
- 2015 – Present Journal Editorial Reviewer, Polish Annals of Medicine
- 2013 – Present Journal Editorial Reviewer, South African Journal of Science

2012 - Present Journal Editorial Reviewer, International Journal of Health Promotion and Education

## **Memberships**

2019 – Present Member of American Medical Informatics Association  
2019 – Present Member of American Education Research Association  
2012 – Present Member of National Institutes of Health Informatics Canada  
2002 – Present Member of Online Learning Consortium (formerly Sloan Consortium)  
2016 – 2018 Member of Illinois Public Health Association  
2015 – 2016 Member of Medical Informatics Association  
2013 – 2014 Member of Quality Matters

---

## **Teaching Experience, Program Curriculum Development and Responsibilities**

---

### **Informatics Teaching Experience**

2017 – Present BHIS 510 Health Care Information Systems  
2017 – Present BHIS 528 Consumer Health Informatics  
2017 – Present BHIS 534 Health Information Technology and Patient Safety  
2017 – Present BHIS 594 Health IT Evaluation  
2017 – Present BHIS 596 Independent Study Consumer Health and Telehealth  
2015- 2017 HSC 3070 Medical Informatics (Undergraduate)  
2015- 2017 PHE 6203 Public Health Informatics (Graduate)  
2015 NURS522 Informatics and Health Care Delivery Systems (Graduate)  
2012 – 2015 HCI 508 Clinical & Administrative Systems  
2012 – 2015 HCI 534 Health Care Informatics Legal and Ethical Issues  
2012 – 2015 HCI 538 Health Care Information Resources Management  
2012 – 2015 HCI 545 Health Care Strategic Management Planning  
2012 – 2015 HCI 550 Risk Management  
2012 – 2015 HCI 555 Information Security and Privacy in Healthcare Environments  
2012 – 2015 HCI 599 Health Care Informatics Capstone

### **Public Health Teaching Experience**

2015- 2017 PHE 3050 Public Health Policy (Undergraduate)  
2015- 2017 PHE 4070 Management and Administration of Public Health Systems (Undergraduate)  
2015- 2017 PHE 5005 Introduction to Health Services and Research (Graduate)  
2015- 2017 PHE 6201 Public Health Policy Research (Graduate)  
2015- 2017 PHE 6202 Program Planning and Evaluation (Graduate)  
2015- 2017 PHE 6220 Evidence-based Public Health Practice (Graduate)  
2015- 2017 PHE 6250 Case Studies in Public Health (Graduate)

### **Informatics Curriculum Development**

2019- Present	BHIS 428 Patient Engagement Applied to Health Technology
2018- Present	BHIS 506 Health IT Evaluation
2018 – Present	BHIS 528 Consumer Health Informatics
2017 – Present	BHIS 510 Health Care Information Systems Redevelopment
2017 – Present	BHIS 594 Health IT Evaluation
2017 – 2018	BHIS 596 Independent Study Consumer Health and Telehealth
2012 – 2015	HCI 508 Clinical & Administrative Systems
2012 – 2015	HCI 525 Data Communication and Networking
2012 – 2015	HCI 534 Health Care Informatics Legal and Ethical Issues
2012 – 2015	HCI 538 Health Care Information Resources Management
2012 – 2015	HCI 545 Health Care Strategic Management Planning
2012 – 2015	HCI 550 Risk Management
2012 – 2015	HCI 555 Information Security and Privacy in Healthcare Environments
2012 – 2015	HCI 599 Health Care Informatics Capstone

## **Research Supervisory Experience**

### **Masters Students**

Nakasone, T. (2019). Social Determinants of Health and Health Intelligence Tools: Impact to Providers and Patient and Their Families, Capstone Project

Navoa F. (2019). Enabling Health Information Exchange in Long-Term Care Facilities: To Improve Transition of Care Process and Support Nursing Diversion Programs, Capstone Project

Reeves D. (2019). FHIR for Semantic Interoperability, Capstone Project

Houle S. (2019). Improving Engagement and Supporting New Payment Models Using Patient Portals, Capstone Project

Hedgepeth S. (2019). RHIO in Mississippi: MS-HIN's Lack of a Documented Impact, Capstone Project

Bronson N. (2018). Health and Wellness Smart Phone Applications: An mHealth tool To Enhance Patient Empowerment and Promote Shared Decision-Making, Capstone Project.

Dunn D. (2018). Long-term Care and Federal Regulations: The Increasing Value of Electronic Health Records And Health Information Technology. Capstone Project

Repp H (2018). Does Technology get in the Way? The Impact of Consumer Health Informatics on the Patient-Provider Relationship. Capstone Project

Brown L. (2017). Literature Review- A Healthcare Professional Perspective: Impact of Information Sharing Among Healthcare Facilities Using Health Information Exchange HIE. Capstone Project

Moore L. (2017). Evidence for Mhealth Effectiveness and Cost-effectiveness in Developing Countries: A Review. Capstone Project
