Education and Training

Academic Training

- 2012 Doctor of Public Health (DrPH) - 5 Core Public Health Areas & Public Health Informatics Specialization.
University of Illinois at Chicago.
- 2004 Master of Public Health (Major/Specialization: Public Health, Public Health Informatics)
University of Illinois at Chicago.
- 2000 Bachelor of Science Anthropology
University of Illinois at Chicago.

Certificate Training

- 2014 Quality Matter Peer Review Course Certification
Quality Matters Program
- 2013 Sloan Consortium Online Teaching Certificate Program
Sloan Consortium

Academic, Administrative, Other Appointments

Current and Joint Faculty Appointments

Clinical Assistant Professor, Department of Biomedical and Health Information Sciences
UIC College of Applied Health Sciences

Faculty History

Aug 2017
to present
University of Illinois at Chicago
Clinical Assistant Professor
Biomedical and Health Information Sciences
College of Applied Health Sciences

2018 to present	University of Illinois at Chicago Faculty Fellow, Honors College
2015- 2017	Assistant Professor South University Online College of Nursing and Health Sciences
2015	Adjunct Faculty Member Excelsior College College of Health Sciences
2012- 2015	Assistant Professor of Health Care Informatics American Sentinel University Department of Informatics, Management and Technology
2012	Adjunct Faculty Empire State College-SUNY

Administrative Appointments

2015- 2017	Assistant Program Director of Public Health South University Online College of Nursing and Health Sciences
2011-2012	STEM+ Online Education Project Coordinator Online Learning Consortium formerly Sloan Consortium
2006-2017	Research Information Specialist (Part-Time) University of Illinois at Chicago Department of Medical Education
2005- 2006	Research Information Specialist (Full-Time) University of Illinois at Chicago Department of Medical Education

Grants and Contracts

Past

ID Number	Not Applicable
Funding Agency	Fulbright US Student Program
Title	Development of a Digital Video Library for Team-Based, Patient-Centered Interprofessional Education
Role	Co-Investigator (no salary PI: C Mitchell)
Total Project Period	AY 2005- 2006
Total Costs	\$25,000

The purpose of the study was to examine the trends in overweight and obesity as measured by the average Body Mass Index (BMI) among Poland's adult population. The correlation of the the extent to which adult overweight/obesity in Poland are related to socioeconomic privilege, area of residence, gender, age and education.

Honors and Awards

2018 – Present	University of Illinois at Chicago, Honors College Faculty Fellow
2014	American Sentinel University, Teaching Award
2005	Fulbright Research Scholarship, Fulbright US Student Program, Warsaw, Poland
2000	UNESCO American Teaching Program, Krakow, Poland
1996	UNESCO American Teaching Program, Krakow, Poland
1996	Catholic University of Lublin, Cultural Institute in Rome, Italy
1993	Jagiellonian University, Krakow, Poland, Native Speaker Certification

Conferences

Conference Planning Committee

2016-2017	Illinois Public Health Association 75th Annual Meeting Planning Committee
2016-2017	Illinois Public Health Association 75th Annual Meeting Planning Committee - Technical Program Planning Committee
2016-2017	Illinois Public Health Association 75th Annual Meeting Planning Committee - Exhibitor Planning Committee

Conference Presenter

2018	Czart M., “Course Quality Assurance for Online and Blended Learning Courses”. University of Illinois Tech Conference. Abstract Accepted – Conference Canceled due to low abstract submission.
2016	Czart M., “Motivational Interviewing (MI): Strategies for Student and Faculty Engagement”. South University Institutional Virtual Conference”, November
2014	Czart M., “Before and After the Sloan-C Certificate Program: An Assistant Professor Perspective”. Sloan Consortium Annual Conference, Upcoming November
2013	Czart M. “Challenges of Course Development for an Interdisciplinary Program in Health Care Informatics-In Progress”. Sloan Consortium Annual Conference, November
2013	Czart M. “Challenges of Course Development for an Interdisciplinary Program in Health Care Informatics-In Progress”. Sloan Consortium Annual Conference, November
2013	Czart M. “Obesity Awareness through Virtual Simulations” Sloan Consortium Annual Conference, November
2010	Stapleton G., Yudkowsky R. Czart M., “Second Life Institute of for Clinical Education”. American Association of Medical Colleges. November
2007	Czart M. “Health Effects of Anesthetic Agents on Operating Room Personnel: Sevoflurane and Nitrous Oxide”. University of Illinois at Chicago. November
2006	Czart M. “The Prevalence of Overweight and Obesity Among Poles”. National Institute of Hygiene. Warsaw, Poland. June

Conference Participant

2016	American Medical Informatics Annual Symposium in Chicago
2014	20th Online Learning Annual International Conference on Online Learning
2014	iHT2 Health IT Summit in Denver
2014	Health Information and Management Systems Conference – Virtual Attendee
2014	19th Sloan Consortium Annual International Conference on Online Learning Conference
2013	Advances in Health Informatics Conference – National Institutes of Health Informatics Canada
2012	18th Sloan Consortium Annual International Conference on Online Learning Conference
2011	17th Sloan Consortium Annual International Conference on Online Learning Conference

- 2010 16th Sloan Consortium Annual International Conference on Online Learning Conference
 2009 15th Sloan Consortium Annual International Conference on Online Learning Conference

Professional Activities, Organizations and Societies

Service to Professional Societies and Program Committees

- 2018-Present Co-Chair of Illinois Public Health Association – Epidemiology and Health Statistics Section
 2016-Present Illinois Public Health Association, Policy and Legislative Committee

Manuscript Reviewer

- 2016- Present Journal Editorial Reviewer, Obesity and Weight Management
 2015 – Present Journal Editorial Reviewer, Polish Annals of Medicine
 2013 – Present Journal Editorial Reviewer, South African Journal of Science
 2012 - Present Journal Editorial Reviewer, International Journal of Health Promotion and Education

Memberships

- 2016 - Present Member of Illinois Public Health Association
 2012 – Present Member of National Institutes of Health Informatics Canada
 2002 – Present Member of Online Learning Consortium (formerly Sloan Consortium)
 2015-2016 Member of Medical Informatics Association
 2013-2014 Member of Quality Matters

Teaching Experience, Program Curriculum Development and Responsibilities

Informatics Teaching Experience

- 2017 – Present BHIS 510 Health Care Information Systems
 2017 – Present BHIS 528 Consumer Health Informatics
 2017 – Present BHIS 534 Health Information Technology and Patient Safety
 2017 – Present BHIS 594 Health IT Evaluation
 2017 – Present BHIS 596 Independent Study Consumer Health and Telehealth
 2015- 2017 HSC 3070 Medical Informatics (Undergraduate)
 2015- 2017 PHE 6203 Public Health Informatics (Graduate)
 2015 NURS522 Informatics and Health Care Delivery Systems (Graduate)
 2012 – 2015 HCI 508 Clinical & Administrative Systems
 2012 – 2015 HCI 534 Health Care Informatics Legal and Ethical Issues
 2012 – 2015 HCI 538 Health Care Information Resources Management
 2012 – 2015 HCI 545 Health Care Strategic Management Planning
 2012 – 2015 HCI 550 Risk Management
 2012 – 2015 HCI 555 Information Security and Privacy in Healthcare Environments
 2012 – 2015 HCI 599 Health Care Informatics Capstone

Public Health Teaching Experience

2015- 2017	PHE 3050 Public Health Policy (Undergraduate)
2015- 2017	PHE 4070 Management and Administration of Public Health Systems (Undergraduate)
2015- 2017	PHE 5005 Introduction to Health Services and Research (Graduate)
2015- 2017	PHE 6201 Public Health Policy Research (Graduate)
2015- 2017	PHE 6202 Program Planning and Evaluation (Graduate)
2015- 2017	PHE 6220 Evidence-based Public Health Practice (Graduate)
2015- 2017	PHE 6250 Case Studies in Public Health (Graduate)

Informatics Curriculum Development

2017 – Present	BHIS 510 Health Care Information Systems Redevelopment
2017 – Present	BHIS 594 Health IT Evaluation
2017 – 2018	BHIS 596 Independent Study Consumer Health and Telehealth
2012 – 2015	HCI 508 Clinical & Administrative Systems
2012 – 2015	HCI 525 Data Communication and Networking
2012 – 2015	HCI 534 Health Care Informatics Legal and Ethical Issues
2012 – 2015	HCI 538 Health Care Information Resources Management
2012 – 2015	HCI 545 Health Care Strategic Management Planning
2012 – 2015	HCI 550 Risk Management
2012 – 2015	HCI 555 Information Security and Privacy in Healthcare Environments
2012 – 2015	HCI 599 Health Care Informatics Capstone

Research Supervisory Experience
