Come and celebrate our third Juneteenth where we celebrate the black disability community and the victories we accomplished!

This year, we will have a DJ who will bless us with music fit for our Accessible Juneteenth celebration. There will be food, giveaways, and resources given out by vendors including those from Black-owned and disability-owned/friendly organizations and businesses. We will host an open-mic where you can share your talents in singing, spoken-word, playing instruments, and more!
