

College of Applied Health Sciences Community Partner Award

The purpose of the award is to honor a community partner who has shown exemplary commitment to providing opportunities for students to engage in and learn from the community and for collaboration with college faculty.

Criteria

Nominations will be evaluated using the following criteria:

For individuals or organizations that have demonstrated outstanding commitment to the experiences of students and/or faculty in the college.

Award

No monetary stipend is associated with award.

Eligibility

1. Individual or organization that has partnered with the college for two or more years.
2. Individual or organization has not received the award in the previous five years.

Nomination

1. One-two page statement from a department head or equivalent describing the significance of the community partner's contributions and the impact these have had on the unit(s).
2. Up to three pages of other material supporting the contribution of the individual or organization.

Nomination packet should be sent to: AHS Awards Committee, c/o Joelle Lantz, jclantz@uic.edu
