

LOOKING FOR

# SELD STUDENT AMBASSADORS

SERVE AS LIAISONS FOR YOUR HEALTH SCIENCES  
PROGRAM TO INCREASE INTERPROFESSIONAL  
ENGAGEMENT (IPE) AT UIC!

## Roles and Responsibilities

- Assist in the planning and implementation of IPE initiatives and events
- Promote IPE events for your respective program (attend your program's orientation, create presentations, post fliers, speak in classrooms, etc.)
- Attend monthly SELD executive meetings to discuss ideas for interprofessional events and activities at UIC
- Collaborate with SELD leaders in hosting/setting up events on campus

## Benefits

- Advocate for your profession!
- Build your understanding of other healthcare team members' roles and responsibilities
- Connect with faculty, students from different UIC health professions programs, and community partners
- Have a say in what kind of interprofessional activities and education you and others in your program want to see at UIC.
- Become a part of the amazing SELD leadership team with dedicated faculty mentorship!
- Develop your leadership skills and this is a great opportunity to include on your resume!

## What we are looking for

- Goal: Have at least one ambassador from each of the health sciences programs listed below:
  - Dentistry, Health Information Management, Healthcare Administration, Nursing – BSN, AGMS and DNP, Nutrition, OT, Pharmacy, PT, Public Health, Social Work
- Time commitment: 2-3 hours/week for a minimum of one academic year.
  - The timeline for this position will be from January 2024 to May 2025.\*
- Motivated students with a keen interest in advancing interprofessional education and health equity and who want to bring together students across the 7 health science colleges at UIC.

\*If you are unable to fully commit to the timeline, just note that in the application, but we would still love for you to apply!
