

**Curriculum Vitae
Susan Magasi, PhD**

PERSONAL INFORMATION

Name: Susan Rosalie Magasi, PhD, MS, BScOT, BSc
Telephone: 773-551-4702
E-mail: smagas1@uic.edu

EDUCATION

May 1992	University of New Brunswick	B.Sc.	General Science (with distinction)
May 1995	McGill University	B.ScOT	Occupational Therapy (with great distinction)
May 2002	University of Illinois at Chicago	M.S.	Occupational Therapy
Dec. 2005	University of Illinois at Chicago	Ph.D.	Disability Studies

POSTDOCTORAL RESEARCH TRAINING

2006-2007 Center for Rehabilitation Outcomes Research, the Rehabilitation Institute of Chicago, Chicago, IL
Post-Doctoral Fellow and Research Associate
Rehabilitation Outcomes Research

2006-2007 Institute of Healthcare Studies, Northwestern University, Chicago, IL
Visiting Post-Doctoral Fellow
Health Services Research.

FACULTY APPOINTMENTS

2018-present **Associate Professor**, with tenure, Department of Occupational Therapy, College of Applied Health Sciences, University of Illinois at Chicago, Chicago, IL

2013-2018 **Assistant Professor**, Department of Occupational Therapy, College of Applied Health Sciences, University of Illinois at Chicago, Chicago, IL

2014-present **Adjunct Assistant Professor**, Department of Physical Medicine and Rehabilitation, Feinberg School of Medicine, Northwestern University, Chicago, IL

2009-2012 **Assistant Professor**, Department of Medical Social Sciences, Feinberg School of Medicine, Northwestern University, Chicago, IL

2008-2009 **Research Scientist**, Center for Outcomes, Research, and Education. Evanston Northwestern Healthcare's Research Institute, Evanston, IL

2008-2009 **Research Assistant Professor**, Department of Physical Medicine and Rehabilitation, Feinberg School of Medicine, Northwestern University, Chicago, IL

2006-2007 **Research Associate**, Center for Rehabilitation Outcome Research, Rehabilitation Institute of Chicago, Chicago, IL

1999-2005 **Research Assistant and Project Coordinator**, Department of Occupational Therapy, University of Illinois at Chicago, Chicago, IL

AWARDS, HONORS, DISTINCTIONS

- 2011 Selected Scholar, Health Equity Leadership Institute (uwheli.com), The University of Wisconsin-Madison School of Medicine and Public Health & The University of Maryland School of Public Health, June, 2011, Madison, WI.
- 2013 Nursing Research Award for Oral Abstract and Poster “Physical function and social interaction after mechanical circulatory support: Patient perspectives” by Grady K, Magasi S, McGee E, Buono S, Abraham T, Yancy C., Heart Failure Society of America
- 2014 Women’s Health Research Day Award for Best Faculty Poster “Screen-ABLE: A Mixed Methods Study Examining Disparities in Breast and Cervical Cancer Screening among Women with Disabilities in Illinois” UIC Women’s Health Research Day. April 30, 2014.
- 2015 Humanitarian Award, UIC College of Applied Health Sciences
- 2015 Elite Reviewer, *Archives of Physical Medicine and Rehabilitation*, Awarded to Top 1% of reviewers for the Archives of Physical Medicine and Rehabilitation (only 25/2017 reviewers earned this distinction).
- 2016 Best Paper Award, NARRTC, Hammel J, **Magasi S**, Heinemann AW, Gray DB, Stark S, Kisala P, Carlozzi N, Tulsy D, Garcia SF, Hahn EA. Environmental Barriers & Supports to Everyday Participation: A Qualitative Insider Perspective from People with Disabilities. *Archives of Physical Medicine and Rehabilitation*, 2015; 96: 569-77: 57-88. doi: 10.1061/j.apmr.2014.12.008
- 2016 Best Multidisciplinary Team Science Award, UIC’s Women’s Health Research Day. **Magasi S**, Cassady L, Cypin T, Ferlin A, Holod A, Kostecky K, O’Connor M, Rodriguez E, Terman A. Knowledge Translation Collaboratives to Promote Cancer Health Equity for Women with Disabilities. Poster presented at the 3rd Annual UIC Women’s Health Research Day.
- 2016 Acting Up Award, Chicago Community Trust and Goodcity Foundation.
- 2017 UIC Researcher of the Year – Rising Star in Social Sciences
- 2019 Service Commendation, Occupational Therapy Research Advocate, American Occupational Therapy Association
- 2019, 2020 Service Commendation, American Congress of Rehabilitation Medicine
- 2020 Inaugural Most Cited Paper Award, *Archives of Physical Medicine and Rehabilitation*. Hammel J, **Magasi S**, Heinemann AW, Gray DB, Stark S, Kisala P, Carlozzi N, Tulsy D, Garcia SF, Hahn EA. Environmental Barriers & Supports to Everyday Participation: A Qualitative Insider Perspective from People with Disabilities. *Archives of Physical Medicine and Rehabilitation*, 2015; 96: 569-77: 57-88. doi: 10.1061/j.apmr.2014.12.008

OTHER RECOGNITIONS

- 2016 Nominated by the American Occupational Therapy Association to the National Quality Forum’s Person- and Family-Centered Care Standing Committee (not selected)
- 2020 Nominated by the American Occupational Therapy Association to the United States Preventive Services Task Force (not selected)
- 2020-present National Institute of Neurological Disease and Stroke/National Institute of Child Health and Human Development invited to serve in the Neurorehabilitation Common Data Elements Project, Social Participation Subgroup.
- 2020-present American Psychological Associate invited to participate in the Equity Flattens the Curve – Social Cohesion Working Group

RESEARCH GRANT AND CONTRACTS – Active

10/2020-9/2023 WeCanManage: An mHealth self-management tool to empower survivors with known disabilities

(National Cancer Institute, U54CA202995, U54CA202997, and U54CA203000, mPI: S. Magasi)

Project aims: This community-based participatory research study will develop and implement a self-management app for cancer survivors with known disabilities. This study is part of the Chicago Cancer Health Equity Collaborative (ChicagoCHEC).

10/2014-9/2021 Peer health navigation for Medicaid beneficiaries with physical disabilities: A community-based participatory research intervention development study

(National Institute on Disability, Independent Living and Rehabilitation Research, 90RT5027, PI: S. Magasi)

Project Aims: This community-based participatory research study will develop, implement and evaluate the effectiveness and acceptability of a peer health navigator intervention Our Peers – Empowerment and Navigational Support for Medicaid enrollees with physical disabilities. This project is part of a Rehabilitation Research and Training Center Grant on Improving Health and Function among People with Physical Disabilities. ClinicalTrials.gov Identifier: NCT04784611

RESEARCH GRANTS – Completed

4/2020-10/2020 Laying the Foundation for Future Cost-Effectiveness Research Related to the Adoption of Standards for Accessible Medical Diagnostic Equipment

(National Council on Disability, PI: S. Magasi)

Project aims: This cooperative agreement is tasked with identifying the state-of-the-science in outcomes and cost-effectiveness measurement of the adoption of Standards for Medical Diagnostic Equipment across preventative, primary, and tertiary care and developing a research agenda to move the field forward.

9/2015-9/2020 WeCanConnect: Using mHealth to Connect Cancer Patients with Disabilities with Matched Disabled Cancer Survivors

(National Cancer Institute, U54CA203000, PI: S. Magasi)

Project aims: This community-based participatory research study will develop, implement and evaluate an mHealth app to provide peer to peer support for people with pre-existing disabilities diagnosed with cancer and matched peers. This study is part of the Chicago Cancer Health Equity Collaborative.

10/2017-9/2018 ILL L.E.A.D. on Healthcare (Patient Centered Outcomes Research Institute, PI: S. Magasi)

Project aims: This community-based participatory project will: 1) develop the State-wide infrastructure for future research into peer support interventions to promote healthcare justice for people with disabilities, 2) build capacity in the next generation of disability community research partners, and 3) identify the disability communities priorities for future research to promote healthcare justice for people with disabilities.

4/2015-6/2017 Negotiating the Healthcare System as a Person with a Disability: A Peer-OT Led Intervention (American Occupational Therapy Foundation, PI: S. Magasi).

Project aims: This community-based participatory research study will develop, implement and evaluate an OT-Peer led intervention to build Medicaid enrollees with physical disabilities' capacity to negotiate the Healthcare System.

RESEARCH GRANTS – Completed

1/2013-6/2016 **Understanding and Enhancing Women with Disabilities' Use of Cancer Screening** (American Cancer Society, Illinois Division, #266888, PI: S. Magasi)

Project Aims: This mixed methods study seeks to identify and explain some of the reasons for disparities in breast and cervical cancer screening between women with disabilities in Illinois and their non-disabled peers.

9/2014-6/2015 **Development of knowledge translation collaboratives to promote healthcare justice for people with disabilities.** (Institute for Policy and Civic Engagement).

Project Aims: To develop a model of knowledge translation collaboratives between people with disabilities and allied health professionals to promote the implementation and utilization of research findings to promote healthcare justice for people with disabilities.

10/2009 – 9/2016 **RRTC for Improving Measurement of Medical Rehabilitation Outcomes** (90RT5027, US Department of Education/NIDRR, PI: A. Heinemann). Project aims: This center of excellence on rehabilitation outcomes measurement will develop measures of cognitive function and environmental factors for use in clinical rehabilitation populations, including mapping to the International Classification of Functioning, Disability and Health. Role: Co-Investigator

10/2009 – 9/2016 **Enhancing the NIH Toolbox' Accessibility and Usability to Support the Inclusion of People with Disabilities in Health Research**, research project in RRTC on Rehabilitation Outcomes Measurement (H133B090024) –Project aims: This project will evaluate the accessibility and usability of the NIH Toolbox among adults with disabilities, develop protocols for reasonable accommodations of measures to people with disabilities. Role: Principal Investigator.

10/2009 – 9/2014 **PROMIS Statistical Center** (1U54AR057951-01, NIH Roadmap, PI: D. Cella). Project Aims: To provide methodological support to PROMIS (Patient Reported Outcomes Measurement Information System) network researchers and users. Role: Co-Investigator and Qualitative Methodological Expert.

7/2012 – 12/2014 **Mechanical Circulatory Support: Development of Quality of Life Instruments** (12GRNT12060594, American Heart Association, Midwest Affiliate, PI: K. Grady). Project Aims: This project will use apply to the qualitative item review process pioneered by the PROMIS initiative to develop an item bank for the measurement of health-related quality of life outcomes in people receiving mechanical circulatory support. Role: Co-Investigator and lead qualitative methodologist.

6/2012-6/2014 **Patient Reported Outcomes for Children and Young Adults with Disabilities – Diversity Supplement** (U01AR057929, PI: A. Jette & D. Tulsy. PI of Diversity Supplement D. Fyffe) Project Aims: To investigate differential item functioning in the Spanish Version of the PROMIS Physical Function Item Bank. Role: Consultant

RESEARCH GRANTS – Completed

- 9/2011 - 8/2013 **People with Disabilities Speak Out on Healthcare Disparities** (Alliance for Research in Chicagoland Communities, PIs: S. Magasi and J. Panko Reis)
Project Aims: This mixed methods community-based participatory research grant seeks to describe and understand the primary healthcare experiences of Medicaid beneficiaries with disabilities and establish local priorities for policy advocacy, research and intervention. Role: Principal Investigator.
- 1/2011 – 9/2012 **Development of a Conceptual Model of Heart Failure Re-Admissions** (Division of Cardiology, Department of Medicine - Internal Funding Mechanism, PI: S. Farmer). This study seeks to understand social, medical and environmental causes of hospital re-admission among people with heart failure. Data will be elicited from multiple stakeholders - heart failure patients, their care partners, and clinical experts. Role: Co-Investigator, lead qualitative methodologist.
- 2/2008- 10/2012 **NIH Toolbox Assessment of Neurological and Behavioral Function** (HHS-N-260-2006-00007-C, National Institutes of Health Blueprint for Neurological Sciences, PI: R. Gershon) Project Aims: Multicenter Federal contract to develop a standard set of assessment for motor, cognitive, sensory function emotional health for use in longitudinal, epidemiological, and clinical research. Role: Co-Investigator, Motor Domain Manager, Accessibility Working Group: Co-Chair
- 7/2011-12/2012 **Pediatric Measurement Center of Excellence (PMCoE)** (U18-HS-20498-01, AHRQ, PI: Sachdeva) The goal of this project is to improve children's healthcare quality measures that make a difference by both informing policy decisions and actual clinical performance using proven methodologies. Role: Co-Investigator
- 7/2011 - 12/2012 **Elicitation of the Importance and Relevance of Key Symptoms in Non-Small Cell Lung Cancer Patients Undergoing 1st Line Treatment, to Support the Content Validity of an Identified Symptom Domain from Lung Cancer Questionnaires** (Industry Sponsored Research Contract from Daiichi Sankyo, Inc., PI: S. Magasi) Project Aims: To evaluate key pulmonary symptoms, treatment effects and distal impacts of non-small cell lung cancer on people receiving first-line treatment. Role: Principal Investigator
- 1/2011 – 12/2012 **Evaluation of the Content Validity of the FACT-L Pulmonary Symptom Index in Non-Squamous and Squamous Non-Small Cell Lung Cancer Patients** (Industry Sponsored Research Contract from Daiichi Sankyo, Inc. PI: S. Magasi) Project Aims: To evaluate the content relevance of the 4-item Pulmonary Symptom Index among people undergoing second and third-line treatment for advanced non-small cell lung cancer. Role: Principal Investigator
- 1/2006-1/2011 **RRTC for Health and Function Outcomes for Individuals with Disabilities** (RRTC H133B040032, US Department of Education/NIDRR, PI: A. Heinemann)
Project aims: (1) equate the functional status instruments used in post-acute care resulting in a simple-to-use cross walk between instruments; (2) develop an innovative new instrument of community participation based on the ICF and reflects stakeholder perspectives; and (3) obtain stakeholder input on information and reporting formats for rehabilitation quality information. Role: Co-Investigator

RESEARCH GRANTS – Completed

- 5/2008-9/2010 **Perceived Cognitive Function Item Bank for Children who Undergo Cancer Treatment** (1R01CA125671-01A1, National Cancer Institute, PI: JS Lai) Role: Co-Investigator
- 2010 **Summit on Mammography Positioning for Women with Disability** (Ticket for the Cure Fund, administered by the Illinois department of Public Health, Office of Women's Health. PI: J. Panko Reis) Role: Consultant
- 2009 **Evaluation of an English interactive voice response system for people with Irritable Bowel Syndrome.** Industry Sponsored Research Contract by Forrest Laboratories, Inc. and Ironwood Pharmaceuticals, Inc. PI: D. Cella. Role: Co-Investigator
- 2006-2010 **Multiple Rehabilitation Stakeholders Perspective on Peer Mentoring In In-Patient Rehabilitation.** (Model Systems Network in Spinal Cord Injury Rehabilitation and Research, H133N060014 Department of Education/NIDRR, PI: D. Chen). Role: Principal investigator on evaluation study within center grant
- 2008 **Clinical Experts Conceptualization of Quality of Life in Spinal Cord Injury** (Industry Sponsored Research Contract from Novartis Pharmaceuticals, PI: D. Cella). Role: Co-Investigator
- 2007-2008 **Social Action Group for People with Traumatic Brain Injury.** (Rehabilitation Research and Training Center on Community Integration after Traumatic Brain Injury, PI: S. Kothari) Role: Consultant

Ramirez RD & **Magasi S**. The Occupational Participation of Latinx Cancer Survivors and their Family Caregivers Living in Long-Term Survivorship. Poster presented at the Illinois Occupational Therapy Association Annual Conference.

INVITED LECTURES

International

- Feb. 2009 Title: Private Lives, Public Policy – Negotiating Disability Identity in the Public Sphere. University of Ottawa, Faculty of Law (Common Law Section) and the Human Rights Research and Education Center. Ottawa, Canada.
- Feb. 2009 Title: Disabled Women’s Struggle for Stable and Satisfying Community Living after Nursing Home Discharge. University of Ottawa, Department of Occupational Therapy. Ottawa, Canada.
- Oct. 2016 Title: Community-Based Participatory Research in Occupational Therapy. Invited Workshop at National University, Aalborg, Denmark.
- May 2017 Title: Knowledge Translation Collaboratives for Capacity Building and Dissemination. Participatory Research Summit 2017, Stockholm, Sweden.
- May 2017 Title: OP-ENS – development of a peer health navigator intervention to promote healthcare justice for people with disabilities. Participatory Research Summit 2017. Stockholm. Sweden.
- Jan 2020 Title: Healthcare Justice for People with Disabilities – Tracing a line of community-based participatory research from qualitative inquiry to intervention development and evaluation. University of Ottawa. Ottawa, Canada.

National

- March 2007 Title: Social Action Networking. State of the Science on Community Integration and Traumatic Brain Injury. Crystal City, VA.
- Mar. 2012 Title: Ensuring that outcome measures are accessible and useable: What it matters and how it can be done. State-of-Science Conference on Outcome Measurement in Medical Rehabilitation. Washington, DC.
- Sept. 2012 Title: Accessibility and Accommodations for People with Disabilities. Harniss M, Magasi S, Johnson K. Unveiling the NIH Toolbox Public Meeting, Bethesda, MD
- May 2016 Title: Putting Rehab in the Hands of Consumers: mHealth State of the Science and Research Needs. Rehabilitation Research at the NIH: Moving the Field Forward. Bethesda, MD
- Oct. 2016 Title: Integrating Knowledge Translation in to Occupational Therapy Curricula, National Academic Leadership Conference, San Diego, CA.
- Mar. 2017 Title: Peer Support Intervention to Promote Healthcare Justice for People with Disabilities. Partnering to Transform Healthcare for People with Disabilities Conference, Chicago, IL
- Apr. 2018 Title: Knowledge Translation: Integrating Evidence into Practice. AOTA Sponsored session.
- Apr. 2018 Title: Peer Support Interventions to Promote Health and Participation among People with Traumatic Brain Injury. Carle Brain Injury Symposium, Champaign, IL Co-presented with R. Brown (peer health navigator)

INVITED LECTURES

National

- Oct. 2019 Title: Knowledge Translation Collaboratives: A Novel Curriculum Model for Building Capacity in Graduate Students and Consumers. 2019 Online KT Conference: Innovative KT Strategies That Work. Oct. 28, 30, and Nov. 1, 2019. Co-presented with Shoma Webster (OTD student) and Linda Cassady (disability community collaborator).
- Feb. 2020 Title: Cancer Health Equity for People with Disabilities, THINK Academy, Charlotte, NC.

Local

- Mar. 2013 Title: Introducing the NIH Toolbox and Its Implications for Rehabilitation Research and Practice. Rehabilitation Institute of Chicago, Leadership Team. Chicago, IL
- Apr. 2015 Title: Screen-ABLE: Promoting Equity in Cancer Screening for Women with Disabilities. 2015 Illinois Women's Health Conference. East Peoria, IL
- Feb. 2016 Title: Developing Knowledge Translation Collaboratives to Promote Healthcare Justice for People with Disabilities. University of Illinois at Chicago, Institute for Policy and Civic Engagement, Civic Engagement Lunch Talk.
- Sept. 2016 Title: ScreenABLE – Enhancing Breast Cancer Screening for Women with Disabilities. Grand Rounds at Aetna Better Health Network. Chicago, IL
- Oct. 2016 Title: UIC OT, Scholarship of Practice Lecture Series. Chicago, IL
- Dec. 2019 Title: CanResearch – Creating pipeline programs in STEM for students with disabilities. Chicago Council on Science and Technology, Chicago, IL

PROFESSIONAL and SCIENTIFIC SERVICE

- 2005-2006 **Peer Reviewer**, *Disability Studies Quarterly*
- 2006-present **Peer Reviewer**, *Canadian Journal of Occupational Therapy*
- 2006-present **Peer Reviewer**, *Archives of Physical Medicine and Rehabilitation*
- 2009 **Peer Reviewer**, *Assessment*
- 2009-present **Peer Reviewer**, *Journal of Quality of Life Research*
- 2009-present **Peer Reviewer**, *Journal of Rehabilitation Medicine*
- 2010-present **Peer Reviewer**, *Journal of Head Trauma Research*
- 2011-present **Peer Reviewer**, *Physical Therapy Journal*
- 2012-present **Peer Reviewer**, *Journal of Pain and Symptom Management*

- 2010 **External Grant Reviewer**, Ontario Neurotrauma Foundation and Victoria Neurotrauma Initiative
- 2005-2008 **Program Committee** Society for Disability Studies Annual Conference

2006 **Invited Expert**, Women with Disabilities Educational Project, Funded by Association of Professors of Gynecology and Obstetrics

2006 Working group on outcome measures for spinal cord injury rehabilitation, NIDRR

2007-present **Founding Member** – Special Interest Group for Occupational Therapy and Anthropology

2007-2016 **Member**, Disability and Health Partnership, Healthcare Access and Professional Development Work Group, Illinois Department of Public Health.

2007-present **Senior Disability Ethics Scholar**, Donnelley Disability Ethics Program, Rehabilitation Institute of Chicago.

2011 **Technical Expert Panelist**, Identifying Priority Outcomes in Comparative Effectiveness Research on Services and Care Coordination for People with Disabilities. Sponsored by the Center for Excellence in Research on Disability Services, Care Coordination and Integration.

2012 & 2015 **Grant Reviewer**, Alliance for Research in Chicagoland Communities, Seed Grant Program

2012 **External Grant Reviewer**, We Choose Health, Illinois Department of Public Health

2013 **Proposal Reviewer**, World Federation of Occupational Therapy, International Congress 2014

2013, 2015, 2016 **Faculty Reviewer**, Chancellor’s Supplemental Graduate Research Fellowship Program, University of Illinois at Chicago, Graduate College

2013-present **Curriculum Sub-Committee Chair**, Outcomes Measurement Interest Group, American Congress of Rehabilitation Medicine.

2013-present **Communications Committee Member**, American Congress of Rehabilitation Medicine.

2014 **Editorial Board Member**, OTJR: Journal of Occupation, Participation and Health

2015-2016 **Research Proposal Reviewer**, American Occupational Therapy Association, American Occupational Therapy Association Annual Meeting, 2016

2016-present **Communication Committee Chair**, American Congress of Rehabilitation Medicine.

2017 **Alliance on Disability in Healthcare Education and the Ohio Disability and Health Program**, Disability Competency Review Committee (invited member)

2018-present **American Occupational Therapy Foundation**, Scientific Review Group

2020-2022 **American Occupational Therapy Foundation**, Board for Trustees.

2020 **National Institute of Disability, Independent Living and Rehabilitation Research**, Disability and Rehabilitation Research Program, Knowledge Translation, Grant Reviewer

2020 **The Israel Science Foundation, Personal Research Grants Competition**, Grant Reviewer

2020 **National Institute of Neurological Disorders and Stroke/National Institute of Child and Maternal Health’s Rehabilitation Common Data Elements Working Group**, member

2020 **Frontiers in Rehabilitation Sciences - Human Functioning** - Review Editor

2020- **Community Health Workers Advisory Group**, Illinois Public Health Association, member

2020 **American Psychological Association**, Equity Flattens the Curve, Expert Subject Matter Group, Social Cohesion, Inclusion, and Equity. Invited Expert.

2020 **American Occupational Therapy Foundation**, Awards Committee

2020 **American Occupational Therapy Foundation**, Diversity, Equity, and Inclusion Task Force

2021- **Frontiers in Rehabilitation Sciences – Human Functioning** – Associate Editor

UNIVERSITY SERVICE

- 2003-2004 **University of Illinois at Chicago, Research Committee**, Graduate Student Representative
- 2002- 2004 **University of Illinois at Chicago Academic Senate**, Graduate Student Representative
- 2009-2012 **Coordinator**, Medical Social Science Monthly Speaker Series
- 2010-2012 **Medical Social Science PROCESS committee** to promote the development of a thriving academic departmental community that fosters strong collaborative and team science and individual professional development.
- 2011 **Academic Search Committee**, Associate Professor in Transplant Outcomes Research, Northwestern University
- 2013, 2020 **Appeal Advisor**, Department of Occupational Therapy, University of Illinois at Chicago
- 2014-present **Academic Affairs Committee**, Department of Disability and Human Development, University of Illinois at Chicago
- 2014-present **OTD Admissions Committee**, Chair, Department of Occupational Therapy, University of Illinois at Chicago
- 2015-present **PhD in Rehabilitation Sciences Admissions Committee**, College of Applied Health Sciences, University of Illinois at Chicago
- 2018-present **Honor's College**, Fellow
- 2018-2020 **Applied Health Science Interdisciplinary Grant**, Grant Reviewer
- 2018-present **Faculty Advisory Committee**, Member, Department of Occupational Therapy
- 2019-present **Promotion and Tenure Committee**, Member, College of Applied Health Sciences, University of Illinois at Chicago
- 2019 **Academic Search Committee**, Assistant Professor of Disability and Human Development, University of Illinois at Chicago
- 2021 **Academic Search Committee**, Bridge to Faculty Post-Doctoral Fellowship, Department of Occupational Therapy, University of Illinois at Chicago
- 2021 **Academic Search Committee**, Department Head of Occupational Therapy, Department of Occupational Therapy, University of Illinois at Chicago

CLINICAL EXPERIENCE

- 1996-1999 **Greenery Neurological Rehabilitation Center** (now IHS of Slidell). 1400 Lindberg Dr., Slidell, LA 70459. Staff Occupational Therapist, Adult Neuro-rehabilitation Team specializing in people with traumatic brain injuries and strokes.
- 1997-1998 **Pro-Personnel Home Health Agency**, Metairie, LA – Contract home health occupational therapist.
- 1996 **Gateway Rehabilitation**, Slidell, LA. Occupational therapy consultant to a private outpatient physical therapy clinic.
