

CURRICULUM VITAE

GAIL S. FISHER

UNIVERSITY OF ILLINOIS AT CHICAGO
COLLEGE OF APPLIED HEALTH SCIENCES
DEPARTMENT OF OCCUPATIONAL THERAPY

Work Address: 1919 W. Taylor St. (M/C 811), Room 317A, Chicago, IL 60612

Telephone: (312) 996-4371

Email: gfisher@uic.edu

EDUCATION

PhD, Public Health Sciences, Health Policy and Administration, University of Illinois at Chicago, 2017

MPA, Master of Public Administration, Southern Illinois University at Edwardsville, 1988

BS, Occupational Therapy, University of Illinois at Chicago, 1980

WORK EXPERIENCE

1988 - Present University of Illinois at Chicago, Department of Occupational Therapy

Academic Rank and Title

Clinical Professor (8/18 - present)

Clinical Associate Professor (9/01 - 8/18)

Clinical Assistant Professor (9/96 - 8/01)

Clinical Instructor (9/88 - 8/96)

Administrative Position and Title

Associate Department Head for Administration (9/02 - present)

Director of Professional Program Admissions (9/89 - present)

Director of Professional Education (9/00 - 8/02)

Director of Undergraduate Education (9/93 - 8/00)

Coordinator of Entry-Level Education (9/89 - 8/92)

Teaching and Advising: Professional Level/Entry-Level

- OT 500: Theories of Occupational Therapy (4 cr). Sole instructor, 2011 to present. Provides a foundational knowledge of the history of the field, knowledge development, occupational therapy theories and related knowledge, and how practice models are used in practice via case analysis.
- OT 424/524: Contexts of Occupational Therapy Practice (2 cr). Creator of course and sole instructor, 2001 to present. Content focus is health and disability policy, payment for therapy, trends in health care and occupational therapy, professional advocacy, and promoting client self-advocacy. Formerly taught an earlier version, OT 325, to BS in OT students prior to the conversion to the MS program in 2000.
- OT 407/507: Introduction to Occupational Therapy Practice (2 cr). Co-creator of the course and co-instructor (50% responsibility), 2000 - 2012. Content focus was on overview of health care systems and trends, practice roles and settings, community based practice, and professional responsibilities. Currently provide two guest lectures annually.
- OT 594, Special Topics, Interprofessional Collaboration in HIV Care (2 cr). Co-instructor, 2017 to 2020. Team-based blended course on prevention and care for people who have or are at risk for HIV, focused on case-based interprofessional group case analysis.
- OT 515: Synthesis I (1cr). Facilitator for problem-based learning course, 2010-12
- OT 420: Community practicum (1 cr). Required course 2000-2008. Supervised students who completed a practicum at a community agency, focus was on urban underserved populations.
- Academic and career advisor for 10-20 professional master's students annually (2000 – present)

- AHS Health and Diversity Academy (formerly Urban Allied Health Academy): coordinator for 15 to 30 students annually (2004 – present), supervise 6-8 fellows per year doing service learning in minority serving agencies and mentor into future career path serving underserved populations.
- Supervised final master's projects of 15 entry-level MS students (1999 – 2004).

Teaching and Advising: Post-professional Level

- Advisor and doctoral project committee chair for 7 post-professional OTD students (2015 to present).
- Doctoral project committee member for 21 post-professional OTD students (2006 to present).
- Doctoral dissertation committee member for two PhD students (2013-14).
- Master's thesis committee member for 18 post-professional MS students (1989 to 2004).

Teaching and Advising: Undergraduate Level

- Co-Instructor for OT350: Introduction to Occupational Therapy (3cr). Covers the history and philosophy of the field, work settings, hands on lab activities, and career paths for undergraduate students who are considering a career in occupational therapy (2018).
- Provide 2-4 lectures per year to AHS 201: Introduction to Rehabilitation Sciences, a required course for Rehab Sciences majors. Includes an overview of the health care system, policy and payment; and a description of the theory base and practice of occupational therapy (2014 to present).
- Advisor to the UIC pre-occupational therapy club, coach and mentor club officers, present annually (2011 to present).
- Honors College Fellow, mentor 2-4 undergraduates a year (2017 to present).

Administration (current responsibilities)

- Assist with management of the academic unit as requested by the Head
- Ex-officio member of the Faculty Advisory Committee to the Department Head
- Director of Admissions for the professional program, including student recruitment, design and implementation of a holistic admissions process, application processing, and student selection; co-supervise the senior academic advisor
- Participate in writing and submitting documents to establish the entry-level OTD degree
- Coordinate communication and fund raising with alumni and donors
- Assist with departmental publications and marketing efforts
- Administer scholarships and student appeals as chair of the Academic Standing Committee

Community and Clinical Service

- Clinical and program consultant for El Valor, a primarily Hispanic serving agency for people with disabilities in Pilsen (1998 - 2012). Provide consultation and supervision of students doing community practica or service learning at residential and day treatment programs for adults with intellectual/developmental disabilities (1998 to present).
- Provide consultation and supervision of students doing service learning and projects at St. Leonard's Ministries Michael Barlow Education Center and Grace House, serving formerly incarcerated adults transitioning to community living and employment (2014 to present).

Research and Scholarship

- Currently lead author on 2 chapters and co-author on 5 chapters in the forthcoming 6th edition of the Model of Human Occupation text, the most widely used theory in the field of occupational therapy.
- Co-author of 2020/21 papers on the role of occupational therapy with COVID and quarantine in the American Journal of Occupational Therapy and the Open Journal of Occupational Therapy
- First author on a chapter on the Environment and Human Occupation for the 5th edition of the Model of Human Occupation text (2017), establishing a new ecological framework for the environment construct
- Created and disseminated an assessment based on the Model of Human Occupation for community residential facilities, the Residential Environment Impact Scale (REIS), which has been translated into 5 languages. UIC co-authors are former MS students. Conducted user surveys to improve the assessment, which has been validated through psychometric research (2002 to 2015).

- Completed a large-scale health services research dissertation study evaluating the effect of the Medicare therapy cap on access to therapy and functional outcomes for residents of skilled nursing facilities (2011-2017).
- Second author (the first author was our PhD student) of a paper on occupational therapy theories for the Occupational Therapy in Health Care journal in 2015, the most popular article with over 70,000 views.
- Conducted a series of quantitative and qualitative investigations of supply of and demand for occupational and physical therapists on a national basis as part of the Midwest Center for Health Workforce Studies with co-investigators Mary Keehn and Judith Cooksey (2000 – 2008) (see grant section below for grant details).
- Collaborated in the development of the Worker Role Interview and assisted in evaluating its usefulness (with Craig Velozo and Gary Kielhofner, 1991-1999). Translated into 15 languages.

1984 - 1988 Wood River Township Hospital - Director of Occupational Therapy and Director of Occupational Health (8/87 on)

Duties: Established and managed an occupational therapy department to serve physical medicine and psychiatric patients of all ages in a semi-rural area of Southern Illinois. Established, managed, and marketed a work hardening program and an occupational health program. Supervised staff and responsible for all operations.

1980 - 1984 Easter Seal Rehabilitation Center of Joliet - Coordinator of Occupational Therapy and Staff Occupational Therapist

Duties: Provided outpatient and school based occupational therapy to children age 2-18. Managed occupational therapy staff, scheduling, evaluations, and school contracts 1981-1984.

GRANTS

- 10/01 – 2/07 Co-Investigator for Allied Health, Midwest Center for Health Workforce Studies, a multidisciplinary project funded by the U.S. Department of Health and Human Services, Health Resources and Services Administration. PI: Surrey Walton, PhD. Total award: \$1,250,000, Allied Health portion: \$125,000.
- 7/01 – 6/05 Project Coordinator and co-author of a U.S. Department of Health and Human Services grant awarded by the Health Resources and Services Administration to better prepare allied health students to work with underserved urban populations, and to recruit underrepresented minority students into allied health. Project Director: Christine Helfrich, PhD. Total award: \$343,100.
- 9/99 – 9/01 Co-Investigator for Occupational Therapy for the Illinois Center for Health Workforce Studies, a multidisciplinary project funded by the U.S. Department of Health and Human Services, Health Resources and Services Administration. PI: Judy Cooksey, MD, MPH. Total award: \$700,000, OT portion: \$30,000.
- 9/97 – 8/01 Project Coordinator and co-author of a U.S. Department of Health and Human Services grant awarded by the Health Resources and Services Administration to better prepare allied health students to work with underserved urban populations. Project Director: Gary Kielhofner, DrPH. Total award: \$395,317.
- 10/93 - 9/97 Co-Project Director and co-author of a competitive renewal of the first training grant from RSA (below), with an emphasis on preparing occupational therapy students to implement the Americans with Disabilities Act. Project Director: Gary Kielhofner, DrPH. Total award: \$294,741.

- 10/90 – 9/93 Project Coordinator and co-author of a U.S. Department of Education training grant awarded by the Rehabilitation Services Administration to develop the baccalaureate curriculum in work-related rehabilitation and to select and supervise student trainees. Project Director: Gary Kielhofner, DrPH. Total award: \$230,982.

PUBLICATIONS IN PREPARATION

Wolske, J., & **Fisher, G.** The foundations of the Model of Human Occupation: Guiding current and future practice. (Co-author is a former MS student and current OTD student).

PUBLICATIONS UNDER REVIEW

Lin, T. & **Fisher, G.** Development of an Online Toolkit to Promote Client-centered and Occupation-based Practice in Acute Care. (Co-author is a former MS and OTD student).

PRESENTATIONS

- April 2021 Refereed Short Course Presentation: Holistic Admissions Process and Outcomes in a Public Urban Research University. American Occupational Therapy Association annual conference (online). (Stoffel, A., Fisher, G., & Arias, D.)
- October 2020 Refereed Platform Presentation: Holistic Admissions Process and Outcomes in a Public Urban Research University. AOTA Education Summit (online). (Fisher, G., Stoffel, A., & Arias, D.)
- April 2020 (Accepted but not presented, conference cancelled due to the pandemic)
Refereed Workshop: “New Opportunities for Occupational Therapy in Acute Care”. American Occupational Therapy Association annual conference, Boston, MA (Pritchard, K., Rudnitsky, K., Fisher, G.) (Second author is a former student)
- April 2020 (Accepted but not presented, conference cancelled due to the pandemic)
Refereed Research Poster: “Demonstrating OT’s Value in Bundled Payment Models for Total Joint Arthroplasty Episodes: A Scoping Review & Recommendations”. American Occupational Therapy Association annual conference, Boston, MA (Walsh, R., Yahata, A., Fisher, G., & Leland, N.) (First author is a former student).

- November 2019 Refereed Scientific Poster: “Bundled Payment for Total Joint Arthroplasties and Post-Acute Care Utilization: A Scoping Review”. American Congress of Rehabilitation Medicine annual conference, Chicago, IL (Walsh, R., Yahata, A., Fisher, G., & Leland, N.E.) (First author is a former student).
- September 2019 Refereed Poster: “Application of the Updated Model of Human Occupation: Immediate, Local and Global Context”. Sixth International Institute on the Model of Human Occupation, Chicago, IL (Fisher, G. & Morris, A.) (Second author is an MS/OTD student).
- April 2019 Refereed Workshop: “The Updated Model of Human Occupation: Supporting Occupation-Based and Client-Centered Practice”. American Occupational Therapy Association annual conference, New Orleans, LA (Fisher, G., Wolske, J., & Ouyang, R.) (Co-presenters are former students).
- April 2019 Refereed Poster: “The Environment Component in the Updated Model of Human Occupation: Transformation and Practical Tools”. American Occupational Therapy Association annual conference, New Orleans, LA (Fisher, G., Parkinson, S., & Haglund, L.)
- April 2018 Refereed Short Course: “Occupational Therapy in Primary Care: Creating Pathways and Building Evidence”. American Occupational Therapy Association annual conference, Salt Lake City, UT (Mirza, M., Gecht-Silver, M., Lukaszewski, K., Muir, S., Fisher, G.) (One co-presenter is a former student).
- November 2017 Refereed Short Course: “The Model of Human Occupation: A Foundation for Best Practice”. Illinois Occupational Therapy Association annual conference, Normal, IL (J. Wolske, G. Fisher, & R. Taylor) (One co-presenter is a former student).
- October 2017 Short Paper: “Environment in the Model of Human Occupation 5th Edition Transformation and Practical Tools”. Fifth International Institute on the Model of Human Occupation, Houston TX (Fisher, G., Parkinson, S., & Haglund, L.)
- October 2017 Paper: “MOHO and Program Development at UIC: Work in Progress”. Fifth International Institute on the Model of Human Occupation, Houston TX (Fisher, G., Stoffel, A., Robinson, S., Greif, A., & Luangdilok, R.) (Three co-presenters are former students).
- October 2017 Poster: “Applying the Residential Environment Impact Scale in a Group Home to Determine How to Maximize Occupational Performance and Participation”. Fifth International Institute on the Model of Human Occupation, Houston TX (Fisher, G., Peters, D., Harrison, M., & Forsyth, K.)
- October 2017 Invited Symposium: “The Model of Human Occupation: Over Time and Into the Future”. Fifth International Institute on the Model of Human Occupation, Houston TX (Wolske, J., Taylor, R., & Fisher, G.) (One co-presenter is a former student).
- October 2017 Symposium: “Integrating MOHO Assessments across the UIC OT Curriculum”. Fifth International Institute on the Model of Human Occupation, Houston TX (Lee, J., Januszewski, C., Fisher, G., & Stoffel, A.)
- April 2017 Invited Paper: “From Hull-House to Today: How Illinois Contributions Led the Way”. Illinois Occupational Therapy Association Centennial Celebration, Chicago, IL (Preissner, K. & Fisher, G.)

- March 2017 Refereed Paper: “Twenty Years of the Medicare Part B Therapy Cap: Overuse, Oversight, and Overcoming”. American Occupational Therapy Association annual conference, Philadelphia, PA. (Fisher, G., Adams, E. & Metzler, C.)
- March 2017 Refereed Poster: “Applying an Occupation-Focused Group Home Assessment: The Residential Environment Impact Scale”. American Occupational Therapy Association annual conference, Philadelphia, PA. (Fisher, G. & Peters, D.)
- March 2017 Refereed Poster: “Occupational Therapy Beginnings at the Jane Addams Hull-House”. American Occupational Therapy Association annual conference, Philadelphia, PA. (Preissner, K., Fisher, G., Stoffel, A., & Blackwell, C.)
- March 2017 Paper: “Overview of Occupational Therapy in Primary Care” for a panel: “Occupational Therapy in Primary Care: Creating Pathways and Developing Evidence”. UIC Department of Occupational Therapy Scholarship of Practice Day. (Fisher, G.)
- August 2016 Invited Presentation: “Enhancing Occupational Therapy Practice through Building Your Occupation-Focused Toolbox”. Canadian Association of Occupational Therapists “Lunch and Learn” webinar. (Fisher, G. & Wong, S.) (Co-presenter is a former student).
- April 2016 Refereed Short Course: “Enhancing Client-Centered Practice through Building Your Occupation-Based Toolbox”. American Occupational Therapy Association annual conference, Chicago, IL. (Fisher, G., Sood, D., Olson, L., Mahaffey, L., & Wong, S.) (One co-presenter is a former student).
- April 2016 Refereed Short Course: “Advancing Primary Care Practice through Application of Occupation-Based Models and Evidence”. American Occupational Therapy Association annual conference, Chicago, IL. (Killian, C., Fisher, G., & Muir, S.)
- April 2016 Pre-Conference Institute (invited to participate): “Evaluating the Impact of the Medicare Therapy Cap: A Natural Experiment”. American Occupational Therapy Association annual conference, Chicago, IL. (Ottenbacher, K., G. Fisher, and multiple presenters)
- November 2015 Refereed Short Course: “Enhancing Client-Centered Practice through Building Your Occupation-Based Toolbox”. Illinois Occupational Therapy Association annual conference, Geneva, IL. (Fisher, G., Sood, D., Olson, L., Mahaffey, L., Wong, S.) (One co-presenter is a former student).
- October 2015 Convener of Symposium and Paper: “From Survey to Scale: The International Development Process of the Residential Environment Impact Scale”. Fourth International Institute on the Model of Human Occupation, Indianapolis, Indiana. (Fisher, G., & Forsyth, K.)
- October 2015 Paper: “The Measurement Properties of the Residential Environment Impact Scale, Version 4.0”. Fourth International Institute on the Model of Human Occupation, Indianapolis, Indiana. (Forsyth, K., & Fisher, G.)
- March 2015 Convener and Panelist: “Becoming Leaders in Theory-Based Practice”. UIC Department of Occupational Therapy Scholarship of Practice Day.
- November 2014 Poster: “Validating a New Residential Environment Impact Scale”. UIC College of Applied Health Sciences Research Day

- September 2014 Invited General Session Presentation: “Empowerment through Political Action”. Kansas Occupational Therapy Association state conference.
- June 2014 Refereed Guided Poster: “Utilizing the Residential Environment Impact Scale to Identify How Supported Accommodation Facilitates Rehabilitation for People with Complex Mental Health Needs”. International Congress of the World Federation of Occupational Therapists (WFOT), Yokohama, Japan. (Harrison, M., Forsyth, K., Fisher, G., Irvine, L. Mountain, D., & Angarola R.)
- June 2014 Refereed workshop: “The Residential Environment Impact Survey: Research and Application”. WFOT Congress, Yokohama, Japan, pre-conference workshop on the Model of Human Occupation. (Harrison, M. & Fisher, G.)
- April 2014 Refereed short course: “What is Rehabilitation Health Services Research?”, American Occupational Therapy Association annual conference, Baltimore, MD (Leland, N., Reistetter, T., Fisher, G. & Karmarkar, A.)
- January 2014 Invited Presentation: “Implications of the Affordable Care Act and OT’s Role in Political Action”, Duquesne University second year students
- October 2013 Refereed workshop: “Implications of the Affordable Care Act’s Quality and Efficiency Initiatives for Occupational Therapy Managers and Practitioners”, Illinois Occupational Therapy Association annual conference, Peoria, Illinois (Fisher, G. & Robinson, M.)
- October 2013 Refereed Poster: “Utilizing the Residential Environment Impact Survey to Identify How Supported Accommodation Facilitates Rehabilitation for People with Complex Mental Health Needs”. 2nd International Allied Health Professionals Conference 2013: Delivering Solutions and Demonstrating Impact for Global Health and Wellbeing. Edinburgh, Scotland (Harrison, M., Forsyth, K., Fisher, G., Irvine, L., Mountain, D, & Angarola, R.)
- September 2013 Invited Presentation: “Beyond Insurance: The Implications of the Affordable Care Act for OT and PT Practitioners Providing Services to Medicare Recipients”, University of Chicago Physical and Occupational Therapy Department.
- June 2013 Invited Presentation: “Beyond Insurance: The Implications of the Affordable Care Act for OT Practitioners Providing Services to Medicare Recipients with Physical Disabilities or Health Conditions”, Chicago Area Council of Occupational Therapy Directors.
- May 2013 Refereed Poster: “The Residential Environment Impact Survey Instruments: Research in Progress”, Occupational Therapy Summit of Scholars, Hosted by University of Illinois at Chicago.
- May 2013 Presentation: “The Affordable Care Act: Implications for Occupational Therapy and Other Allied Health Professions”, College of Applied Health Sciences Alumni Weekend, University of Illinois at Chicago.
- April 2013 Invited Presentation: “Empowerment through Political Action”, American Occupational Therapy Association Academic Program Directors and Assembly of Student Delegates.
- November 2012 Invited Presentation: Policy, “Advocacy, and the Future of Occupational Therapy”, AOTA Student Conclave, Cleveland OH (Fisher, G. & Metzler, C.)
