Additional Expenses for the 2 year MS program

Students must be prepared to pay for the following in addition to tuition and fees.

Item	Estimated expense
Books and Supplies, including EHR Go (Electronic Health Record (EHR) software)	\$1,200 across the program <i>Approximately half of this cost occurs in the 1st semester. The cost of books and supplies are lower in the 2nd year of the program.</i>
Lab Fee (for disposable supplies that we buy in bulk for OT 526 (summer course), like splinting material and materials to make control switches)	\$25.00
<p>Health Documents Storage Fee: covers review, validation and storage of all of your health documents and other forms.</p> <p><i>Please note: Students must plan to pay for co-pays for doctor visits, any out of pocket costs for visits, tests, and immunizations. By mid-July 2021, accepted students will be required to set up a personal account with our health documentation storage vendor, and all required documentation must be submitted before the new student orientation at the end of August.</i></p>	\$120.00-\$220.00 <i>(plus additional costs for doctor visit co-pays, any out of pocket costs for visits, tests, and immunizations may apply)</i>
AOTA Membership (<i>Highly Recommended</i>)	\$75.00 (Student - Full Member Benefits) See www.aota.org for more information
ILOTA or your state organization's membership (<i>Highly Recommended</i>)	\$20.00 (Student – AOTA member) \$25.00 (Student – non-AOTA member) See https://iota.memberclicks.net/ for more information
Fieldwork (transportation to and from fieldwork site, travel, parking, housing, and meals)	Can be up to approximately \$4,000, depending on where the site is located and if the student must pay for airfare and double rent during fieldwork.
Cost of Living	Housing costs vary greatly around the Chicago area and are hard to predict, as it depends on the kind of neighborhood a student lives in and whether they have roommates. An information packet is provided to accepted students about housing options and costs in a variety of neighborhoods.
