Additional Expenses for the 2-year 9-month entry-level OTD program

Fieldwork: All students must be prepared to relocate for one fieldwork experience or have travel time of one hour or more to their site. Costs may include transportation to and from fieldwork site, travel, parking, housing, and meals. Costs may approximate \$4,000, depending on where the site is located and if the student must pay for airfare and double rent during fieldwork.

Cost of Living: Housing costs vary greatly around the Chicago area and are hard to predict, as it depends on the kind of neighborhood a student lives in and whether they have roommates. An information packet is provided to accepted students about housing options and costs in a variety of neighborhoods.
