# **CURRICULUM VITAE**

#### SUZANN K. CAMPBELL (DELAPP)

Professor Emerita University of Illinois at Chicago 1301 W. Madison St. #526 Chicago, IL 60607-1953 (312) 733-9604; FAX (312)733-0565 E-mail skc@uic.edu

### Education:

University of Wisconsin (Madison)Ph.D. in Neurophysiology (Minor: developmental psychology), 1970-1973.M.S. in Physical Therapy (Major areas: education and measurement), 1967-1968.B.S. Degree and Certificate in Physical Therapy, 1961-1965.

### Licensure Information/Certifications:

Physical Therapist: Illinois #070-005147 NDT Basic Course, 1982; Baby Course, 1984

## Employment and Positions Held:

Professor Emerita, The University of Illinois at Chicago, College of Applied Health Sciences, Department of Physical Therapy, 2008-present.

Managing Partner, Infant Motor Performance Scales, LLC, Chicago, IL, 2001-2021. Treasurer and Online Education Instructor, 2021-present.

Early Intervention Physical Therapist, State of Illinois, 2008-2011.

Professor, tenured, The University of Illinois at Chicago, College of Applied Health Sciences, Department of Physical Therapy, 1987-2008. Acting Department Head, 1989-90; Director of Graduate Studies, 1987-1998; Interim Head, 1999-2000; Head, 2000-2008. Professor, Community Health Sciences, School of Public Health, 1987-2008. Associate Vice Chancellor for Academic Affairs, 1998-2000. Director of Mentoring Programs, Research Education and Careers in Health, UIC Center for Clinical and Translational Science, 2008-2011.

Visiting Professor, Department of Physical Therapy and Keck Neurosciences Institute, University of California--San Francisco (1 mo. temporary assignment), 1998.

Adjunct Professor, Boston University, Sargent College of Allied Health Professions, Department of Physical Therapy, Boston, MA, 1986-1988.

Professor, The University of North Carolina at Chapel Hill, School of Medicine, Department of Medical Allied Health Professions, Division of Physical Therapy, Chapel Hill, NC, 1984-1987; Associate Professor, 1977-1984; Assistant Professor, 1972-1977; Associate Director for Graduate Education, 1978-1979.

Visiting Clinical Consultant, Physical Therapy Division, University of Michigan Hospitals (Mott Children's and Holden Perinatal Hospitals), Ann Arbor, MI (1 mo. temporary assignment), 1983.

Research Fellow, Psychophysiology Section, Department of Psychology, University of Wisconsin-Madison, WI (6 mo. sabbatical), 1981. Part-Time Physical Therapist, Monroe Handicapped Children's Clinic, Monroe, WI, 1971-1972.

Instructor in Physical Therapy, School of Medicine, University of Wisconsin-Madison, Madison, WI, 1968-1970

Staff Physical Therapist, Central Wisconsin Colony, Madison, WI, 1965-1968.

### Non-Peer Reviewed Presentations:

Campbell SK (with Oberg GK): Sooner Rather Than Later: Innovations in Early Intervention. Norwegian Physiotherapy Association, Tromso, Norway, 2020.

Introduction to the Test of Infant Motor Performance and Intervention Based on the Test of Infant Motor Performance. National Integrated Traditional Chinese and Western Medicine Forum of Early Intervention in High-risk Infants, Rehabilitation of Children with Cerebral Palsy and Risks of Brain Injury, Shanghai National Children's Medical Center, Shanghai, PRC, April 2019.

The Test of Infant Motor Performance. Hospital for Special Surgery, New York, NY, June 2013.

Effects on Motor and Brain Development of Kicking and Stepping Exercise in Preterm Infants with Periventricular Brain Injury. New York University, New York, NY, June 2013.

Selection and Interpretation of Standardized Measures of Motor Development and Function. Advanced Clinical Practice Course, Section on Pediatrics of the APTA, San Antonio, TX, October 12, 2012.

Them That's Got Shall Get, Them That's Not Shall Lose: Disparities in Access to Rehabilitation. Eleanor F. Branch Lecture, Duke University, Durham, NC, May 8, 2012.

Effects on Motor and Brain Development of Kicking and Stepping Exercise in Preterm Infants with Periventricular Brain Injury: A Pilot Study. Israeli Bobath Tutors Association, Safra Childrens' Hospital, Tel Hashomer, Israel, July 21, 2012.

Early Intervention and Development on the AIMS of Infants with Perinatal White Matter Injury. Annual Conference of the Section on Pediatrics of the APTA, Anaheim, CA, August 31, 2011.

When Should Center-based Therapy Be Considered? Round table on Physical Therapy in the Natural Environment. Annual Conference of the Section on Pediatrics of the APTA, Anaheim, CA, September 2, 2011.

The Translation of Clinical Experience into Research That Transforms Practice, First Knowledge Translation Lecture, Combined Sections Meeting of the APTA, San Diego, CA, February 20, 2010.

Lessons from a Longitudinal Study of Infants with Perinatal White Matter Injury, Annual Conference of the Section on Pediatrics of the APTA, Orlando, FL, January 12, 2010.

A Brief History of Physical Therapy Management of Cerebral Palsy, Susan Harryman Lectureship, the Johns Hopkins University, Baltimore, MD, 2009.

The Test of Infant Motor Performance as a Parent Education Tool, Child and Family Development Clinic, University of Illinois at Chicago, 2009.

The Test of Infant Motor Performance. Hong Kong Pediatric Special Interest Group, Hong Kong, PRC, 2007.

The Test of Infant Motor Performance. Illinois Early Intervention Conference, Alsip, IL, 2006.

Are Models of Rehabilitation Useful in Real Cases? Pediatric Case Examples Realized in Research, Education, and Clinical Practice. III Step Summer Institute on Translating Evidence into Practice: Linking Movement Science and Intervention, Salt Lake City, UT, 2005.

Evidence-based Practice: Where is the Evidence and How Do We Use It? American Physical Therapy Association Section on Pediatrics Advanced Practice Seminar, Cary, NC, 2005.

Performance of Children with Cerebral Palsy on the TIMP and the AIMS. Spectrum of Developmental Disabilities XXV Conference, Johns Hopkins University, Baltimore, MD, 2003.

Campbell SK (with Barbosa V): The Challenge of Early Diagnosis. International Conference on Cerebral Palsy, Quebec City, Canada, 2003.

Baby Scientists at Work: How Infants Learn Movements, Provost=s Cutting Edge Lecture Series, University of Illinois at Chicago, Chicago, IL, 2002.

NDT and the Evidence: Theory and Clinical Practice with Children. American Physical Therapy Association Scientific Meeting and Exposition, Section on Neurology, Cincinnati, OH, 2002.

PT 2000: Nurturing the Profession. Thirtieth Mary McMillan Lecture. APTA Scientific Meeting and Exposition, Washington, DC, 1999.

The Test of Infant Motor Performance: The Search for Instability. Invited Speaker, Columbia University Motor Control Conference, New York, NY, 1998.

Current and Future Issues in Pediatric Therapy. Catch >98, Wisconsin Physical Therapy Association, Milwaukee, WI, 1998.

Learning Issues in Pediatric Rehabilitation. National Center for Medical Rehabilitation Research, National Institutes of Health, Bethesda, MD, 1997.

Evidence-based Practice: Intrathecal Baclofen for Cerebral Palsy. Invited Symposium Speaker, American Academy for Cerebral Palsy and Developmental Medicine, Minneapolis, 1996.

All the World=s a Stage, graduation address, University of Southern California, 1995.

Therapy Programs for Children That Last a Lifetime, Invited Address, World Confederation for Physical Therapy, Washington, DC, 1995.

Framework for Assessing Therapeutic Outcomes, Invited Address, Presidential Symposium, American Academy for Cerebral Palsy and Developmental Medicine, Philadelphia, 1995.

Measurement and Clinical Decision Making. Invited Address, Biennial meeting of the New Zealand Physiotherapy Association, Auckland, NZ, 1994.

Functional Motor Development in Infancy. Invited Address, Biennial meeting of the New Zealand Physiotherapy Association, Auckland, NZ, 1994.

Development of the Test of Infant Motor Performance (with E Osten, THA Kolobe, A Fisher). Progress in Rehabilitation: Issues in Measurement, SUNY-Buffalo, Buffalo, NY, 1992.

Development of the Test of Infant Motor Performance, Invited Address, Great Lakes Perinatal Research Conference, Itaska, IL, 1992.

Treatment in Cerebral Palsy: Is There Consensus on Outcome and Effectiveness? Invited Symposium Speaker (with P Rosenbaum and M Goldberg), Annual Meeting of the American Academy for Cerebral Palsy and Developmental Medicine, San Diego, CA, 1992.

Measurement of Motor Performance in Cerebral Palsy, Sven Jerring Symposium on Treatment of Children with Movement Disorders: Theory and Practice, Stockholm, Sweden, 1991.

Framework for the Assessment of Neurologic Disability, Invited Address, II Step Motor Control Conference, Normal, OK, 1990.

Physicians' Beliefs in the Outcomes of Physical Therapy, Invited Address, Agency for Health Care Policy and Research Conference on Allied Health, Keywest, FL, 1990.

Leadership Training in Maternal and Child Health, MCH Leadership Conference, Washington, DC, 1989.

Assessment of Motor Performance in Infants with Cerebral Palsy, The Sixth Elizabeth F. Zausmer Lecture in Physical Therapy, The Children's Hospital, Boston, MA, 1987.

Natural History of the Development of High Risk Infants, McGill University, Montreal, Quebec, Canada, 1981.

## Funded Grant Activity:

Mentor, Early Intervention for the Caregiver-Infant Dyad with Neonatal Abstinence Syndrome: A Case Series (K Boynewicz, PI), Academy of Pediatric Physical Therapy, 2019.

Consultant, Validation of the Pediatric Balance Scale Using Rasch Analysis (MR Franjoine, PI), APTA Section on Pediatrics, 2012.

Co-investigator, Feeding and Transition to Home for Preterms at Social Risk (R White-Traut, PI), National Institutes of Health, 2007-2012.

Co-investigator, Physiotherapy for Preterm Infants in the NICU (GK Oberg, PI), Norwegian Regional Health Authorities, 2009-2012.

Principal Investigator, A Clinical Trial of Physical Therapy to Promote Locomotion in Infants with White Matter Injury. UIC Center for Clinical and Translational Science, 2007 (\$86,320 direct costs).

Consultant, Toolbox for Assessment of Neurological and Behavioral Function (Gershon, PI), National Institutes of Health, 2006-2011.

Co-investigator, Building Capacity for Health Disparities Research (J Warnecke, PI), National Institutes of Health, 2006-2011.

Director, Recruitment and Admissions, K-30 (Jack Zwanziger, PI), National Institutes of Health, 2005-2010.

Principal Investigator, Norming a Diagnostic Motor Scale for Infants, R01 HD38867, National Institutes of Health, USPHS, 2001-2004 (\$620,000 direct costs).

Principal Investigator, A Motor Test for Pediatric Rehabilitation, R01 HD32567, National Institutes of Health, USPHS, 1996-1999 (\$877,000 direct costs).

Project Director, Educational Programs for Physical Therapists in Family-Centered Care, Maternal and Child Health Bureau, USPHS, DHHS, 1992-1997 (\$127,000/year).

Clinical Assessment Coordinator, Effects of Intrathecal Baclofen on Spasticity in Cerebral Palsy (R. Penn, Principal Investigator), NIH, 1989-92.

Principal Investigator, Development of a Neonatal Functional Motor Performance Scale, Foundation for Physical Therapy, 1990-92.

Principal Investigator, Physicians' Decisions to Refer Children with Cerebral Palsy to Physical Therapy, Agency for Health Care Policy and Research, DHHS, 1990-92.

Adjunct Faculty Member, Advanced Competencies in Maternal and Child Health for Occupational Therapists, Maternal and Child Health Service, Bureau of Health Care Delivery and Assistance, USPHS, DHHS, 1987-1992.

Co-Project Director (with D. Slaton), National Priorities in Pediatric Physical Therapy, Maternal and Child Health Service, Bureau of Health Care Delivery and Assistance, USPHS, DHHS, 1986.

Principal Investigator, Development of Infants at Risk, Foundation for Physical Therapy, 1980.

Developmental Specialist, A Controlled Evaluation of Regionalized Perinatal Care (E. Siegel, Principal Investigator), USPHS, DHHS, 1979-1981.

Charles E. Culpeper Fellowship in the Medical Sciences, 1985-1987.

Traveling Fellowship in Research, Foundation for Physical Therapy, 1980.

Project Director, Postgraduate Programs for Physical and Occupational Therapists in Maternal and Child Health, Maternal and Child Health Service, Bureau of Health Care Delivery and Assistance, USPHS, DHHS, 1973-1987 (\$150,000/yr).

Principal Investigator, Development of Infants at Risk for CNS Dysfunction, American Academy for Cerebral Palsy and Developmental Medicine, 1976.

NIH Individual Predoctoral Research Fellowship, 1970-1972.

### Language Proficiency:

German (moderate reading, basic oral)

### Other Scholarly Products:

#### **Correspondence Course Lessons**

Campbell SK: Using Standardized Tests in Clinical Practice. In Touch Home Study Course, Topics in Pediatrics, APTA, Alexandria, VA, 1990.

Campbell SK: Application of Exercise Principles to Treatment of Cerebral Palsy. Postgraduate Advances in Physical Therapy, Forum Medicum/APTA, Berryville, VA, 1988.

Campbell SK: Evaluation of the Neonate. Postgraduate Advances in Physical Therapy, Forum Medicum/APTA, Berryville, VA, 1987.

#### Audio visual materials and e-Learning courses

Course Instructor, The TIMP in the Cloud, an e-Learning Course on the Test of Infant Motor Performance. Chicago, IL, Infant Motor Performance Scales, LLC, 2016-present.

CD-ROM Multimedia Instructional Program: Campbell SK, Liao P-jM, Girolami GL, Kolobe THA, Osten ET, Lenke MC: The Test of Infant Motor Performance. A Self-Instructional CD Program (V. 4.1). Chicago, IL, Infant Motor Performance Scales, LLC, 2007.

CD-ROM Multimedia Instructional Program: Mao P-j, Campbell SK: A Learning Program for Scoring the Test of Infant Motor Performance. Chicago, IL, Infant Motor Performance Scales, LLC, 1998.

Videotape Consultant and Participant: Redefining Early Infant Assessment; Is My Baby OK? (Available in Spanish or English), Pathways Awareness Foundation, 1992. Aired on more than 180 public television stations.

Videotapes: PT 16, 17, 18, Neurodevelopmental Examination of an Infant with Cerebral Dysfunction. University of Wisconsin Medical Center, 1971.

16 mm film: "Infant Neurodevelopmental Examination", Department of Postgraduate Medicine and Department of Cinema, University of Wisconsin, 1970.

Slide-tape program: Goniometry I, II, and III, University of Wisconsin, Department of Postgraduate Medicine, 1970.

## Continuing Education Workshops Conducted/Organized:

The Test of Infant Motor Performance and the Harris Infant Neurological Test (with co-presenter Susan Harris), World Confederation for Physical Therapy, Geneva, Switzerland, 2019.

The Test of Infant Motor Performance (2 hrs.): SERI Conference, Madrid, Spain, 2018.

The Test of Infant Motor Performance (2 days): Chicago, IL, 2000; Singapore, 2001; Berne, Switzerland, Warsaw, Poland, 2007; Helsinki, Finland, Chania, Crete, 2008; Tel Aviv, Israel, 2012; Brisbane, Australia, 2013; Copenhagen, Denmark, 2014; Xian, China, 2018.

The Test of Infant Motor Performance (2 hrs.), APTA Combined Sections Meeting, Nashville, TN, 2008

The Test of Infant Motor Performance (2 hrs.), Insights Into Assessment, A Conference Focusing on Assessment in Early Intervention, Alsip, IL, 2006.

Evidence-based Practice (2 hrs.), 8<sup>th</sup> Annual Advanced Clinical Practice in Pediatric Physical Therapy Course, Cary, NC, 2005.

Evidence-based Practice Considerations (2 hrs.), Positive Pediatrics, Brookfield, WI, 2002.

Evidence-based Practice (2 hrs.), Section on Pediatrics Workshop, Oak Brook, IL, 2001.

Coordinator, Annual Meeting of the Maternal and Child Health Project Directors in Occupational Therapy, Physical Therapy, and Speech and Language Pathology, Chicago, IL, 1997.

The Test of Infant Motor Performance; Use of Standardized Measures in Pediatric Practice, Spring Conference, Alabama Chapter, APTA (6 hrs.), 1996.

Co-Coordinator of Clinical Practice Workshops for Rural Therapists 1994-96 (2 days): Hazard, Kentucky; Keshena, Wisconsin; Mount Vernon, Illinois

Pathokinesiology of Cerebral Palsy (4 hrs.), National Women's Hospital, Auckland, NZ, 1994.

The Test of Infant Motor Performance; Use of Standardized Measures in Pediatric Practice, APTA Section on Pediatrics Regional Workshops on Standardized Measurement (4 hrs.): Ann Arbor, MI; Columbus, OH; Indianapolis, IN; North Chicago, IL; LaCrosse, WI, 1994.

Pathokinesiology of Cerebral Palsy (8 hrs.), Shriner's Hospital, Chicago, IL, 1991.

Clinical Instructor, Toward Excellence in Physical Therapy Practice: A Conference on Comprehensive Clinical Decision-Making (9 hrs.), Georgia Chapter, American Physical Therapy Association, Atlanta, GA, 1982.

Developmental Interventions in Neonatal Care, Program Co-chair of 3-day conference and presentation on Assessment of Performance in Infants with CNS Dysfunction, Chicago, IL, 1986.

Neuro-Developmental Treatment Course, Pathokinesiology of Cerebral Palsy (12 hrs.): Hugh MacMillan Medical Centre, Toronto, Ontario, Canada, 1987, 1991 Curative Rehabilitation Center, Milwaukee, 1988 University of Western Ontario, London, Ontario, Canada, 1988 Pathways Center for Children, Glenview, IL, 1988, 1996 Milwaukee NDT, Milwaukee, WI, 1989 Montreal Childrens' Hospital, Montreal, Quebec, Canada, 1989 Childrens' Rehabilitation Centre, Ottawa, Ontario, Canada, 1990. Alberta Children's Hospital, Calgary, Alberta, Canada, 1992. City Kids, Chicago, IL, 1996, 1998 Cerebral Palsy Centre, Bray, Ireland, 1997

## Other Continuing Education Contributions

### Hooked on Evidence Reviews:

Effect of a developmental program on motor performance in infants born preterm.

Efficacy of a Neuro-developmental treatment program to improve motor control in infants born prematurely.

### Membership in Scientific/Professional Organizations:

Advisory Board Member, Center on Research on Functional Outcomes Measurement, State University of New York at Buffalo, 1994-97.

Member, National Advisory Board, National Center for Medical Rehabilitation Research, NICHD, National Institutes of Health, 1991-95.

Ad hoc Research Grant Reviewer: March of Dimes, Canadian Easter Seal Society, National Institute on Drug Abuse, National Institute of Child Health and Human Development, Maternal and Child Health Service, Health and Welfare Canada.

Manuscript and Book Reviewer in pediatrics, neurophysiology, and education, Physical Therapy, Journal of the American Physical Therapy Association, 1973-Present.

Co-editor, APTA In Touch Home Study Course, Topics in Pediatrics, 1989-90.

Manuscript Reviewer, Journal of Pediatric Psychology, 1978-88.

Manuscript Reviewer, Archives of Physical Medicine and Rehabilitation, 1996-97.

Founding Editor, Physical & Occupational Therapy in Pediatrics, The Journal of Developmental Therapy, 1979-1984, Co-Editor, 1985-1992; Consulting Editor, 1992-1997.

Member, Editorial Board, The Journal of Applied Research in Mental Retardation, 1979-1984.

Member, Roster of Research Consultants, American Occupational Therapy Foundation, 1981-1987.

Member, Research Grant Review Committee, Foundation for Physical Therapy, 1982-1985.

Member, Editorial Advisory Board, Clinics in Physical Therapy Monograph Series, Churchill Livingstone Publishers, 1983-2000.

Faculty Member, Postgraduate Advances in Physical Therapy (office study course), Forum Medicus/APTA, 1987-88.

Illinois Neonatal Developmental Follow-up Association, 2004-2017.

Member, Institutional Review Board (human subjects research review), Pathways Center, Glenview, II, 2005-2010.

American Physical Therapy Association (since 1965) Elected Catherine Worthingham Fellow, 1987
Member, Graduate Education Committee, 1977-1978
Member, Advisory Council on Physical Therapy Education, 1983-1986
Member, Task Force on the Faculty Shortage, 1984-1985
Member, Task Force on Measurement Standards in Physical Therapy, 1988-89
Member, Task Force on Research, 1988-90
Member, Ad Hoc Task Force on Coalitions for Consensus Document, 1994-96
Member, Finance Committee, 1995-2000
Member, Task Force on Measurement, Section on Research, 2006
Wisconsin Chapter
Chairman, Membership Committee, 1966-1968
Vice-President, 1969-1971
President and Chief Delegate, 1971-1972
North Carolina Chapter
Chairman, Education Committee, 1973-1974
Member, Finance Committee, 1983-1986
Treasurer, 1984-1985
Illinois Chapter
Member, Adopt-a-Doc Selection Committee, 1994
Academy of Pediatric Physical Therapy (Section on Pediatrics)
Treasurer, 1990-1994
Society for Research in Child Development, 1976-1992
Member, Interdisciplinary Affairs Committee, 1979-1981
American Academy for Cerebral Palsy and Developmental Medicine, Fellow
Member, Nominating Committee, 1993, 1995
Member, Continuing Education Committee, 1994-96
Instructional Course Chair, 1996
Member, Evidence-based Practice Guidelines Committee, 1996, Consultant, 1997-98
American Association of University Professors
Vice-President, University of Illinois at Chicago Chapter 1995-1997
President, University of Illinois at Chicago Chapter 1997-98

Phi Kappi Phi, Treasurer, University of Illinois at Chicago Chapter, 1999-2005

## Consultative and Advisory Positions Held:

Consultant, Treatment of cerebral palsy, Columnist Ann Landers, periodic requests.

Research Consultant, DuPage Easter Seals Center, Villa Park, IL, and Pathways Center for Children, Glenview, IL, 1988-90.

Consultant, Developing Interdisciplinary Doctoral Program in Neurodevelopment, Sargent College of Allied Health Professions, Boston University, Boston, MA, 1977.

Consulting Editor, Journal of Allied Health and Human Behavior, 1977-1980.

Consultant, Parents Magazine, on exercise programs for infants, 1984.

Consultant, Environmental Protection Agency, Research Triangle Park, NC, on assessment of developmental effects of PCBs on offspring of exposed women, 1984.

Consultant, Frank Porter Graham Child Development Center, UNC-CH, Robert Wood Johnson Foundation Low Birthweight Infant Development Project, 1984.

Consultant, Development of Curricula to Train Entry Level Physical and Occupational Therapists to Work in the Public Schools, College of Associated Health Professions, University of Illinois at Chicago, 1987.

Consultant, Evaluation of doctoral program in physical therapy, Hahnemann University, Philadelphia, PA, 1988.

Consultant, Development of rehabilitation services, Montreal Children's Hospital, Montreal, Quebec, 1988.

Consultant, Physical Therapy Curriculum Review, University of Wisconsin-Milwaukee, 1999.

Consultant, University Family Health Service, Madison, WI, 1971-1972.

Consultant, Kiddie Camp Preschool for Retarded Children, Madison, WI, 1971-1972.

MEASUREMENT CONSULTATION:

Gross Motor Performance Measure, Queens' University, Kingston, Ontario, 1988.
Alberta Infant Motor Scale, University of Alberta, Edmonton, Alberta, 1989.
Pediatric Evaluation of Disability Inventory, Tufts University, Boston, MA, 1989.
Miller Toddler and Infant Motor Evaluation, KID Foundation, Englewood, CO, 1990.
Lekotek, Chicago, IL, 1990.
Revision of the Bayley Scales of Infant Development, Motor Scale, Psychological Corporation, 1991.
Training Grant Performance Outcomes, Maternal and Child Health Bureau, DHHS, 1996.
Pediatric Balance Scale, Daemon College, 2012.

## Community Service:

Principal Flutist, Madison Civic Symphony, 1970-1971.

Member, Community Resources Program, teaching classes on the nervous system for elementary and secondary school children, Chapel Hill-Carrboro Public School System, 1977-1984.

Vice-President, Chapel Hill Bird Club, 1982-1983.

Loon monitor, Sigurd Olsen Environmental Institute, Northland College, Ashland, WI, 1987-present.

Member, Medical Round Table (public education campaign on cerebral palsy), Pathways Awareness Foundation, Chicago, IL, 1988-2005. Consultant on development of public service brochure Parents Don't Delay used by more than 900 agencies across the U.S.

Member, Services Advisory Committee, 1989-90; Research Advisory Committee, 1991, United Cerebral Palsy of Greater Chicago.

Project Director, Waubee Lake Ecology Grant, Wisconsin Department of Natural Resources, 1994.

Performer, Gang of Toes modern dance group, volunteer performances in Chicago-area nursing homes, 2002-2003.

Member, Persons with Disabilities Committee, Clerk of the Circuit Court of Cook County, 2005-2008.

Member, Poo Crew, McDonald's Thanksgiving Parade Equestrian Units, Chicago, IL, 2009-2017.

Flutist, UIC Concert Band, UIC Wind Ensemble, Chicago, IL, 2006-2015.

Volunteer, Get Covered America, 2014-2015.

Mentor, UIC Mid-Career Writing Mentoring Program, 2017

Volunteer Tax Preparer, Ladder Up, Chicago, IL 2022-present.

Ohara School of Ikebana Instructor, 2024.

## Services to the University/College/School on Committees/Councils/Commissions:

### UNIVERSITY OF ILLINOIS AT CHICAGO (UIC):

Member, Search Committee for Vice Provost for Health, 2006 Group Facilitator, UIC Strategic Planning, 2004 Member, Graduate College Executive Committee (elected Promotion and Tenure Committee), 1996-98 Member, Executive Committee of the Faculty Senate (elected), 1995-97 Member, Faculty Senate from the College of Associated Health Professions, 1988-91, 1994-97 Member, Senate Committee on Educational Policy, 1990-92 Member, Athletic Committee, 1989-91

UIC COLLEGE OF APPLIED HEALTH SCIENCES:

Member, College Executive Committee (elected), 1988-91 Member, Search Committee for Physical Therapy Department Head, 1989-90 Chair, College Promotion and Tenure Committee (elected), 1988-92 Member, College Graduate Council, 1987-1998 Chair, Search Committee for Movement Sciences Department Head, 2001-2002 Member, Leadership Council, 1999-2008

UNIVERSITY OF NORTH CAROLINA AT CHAPEL HILL (UNC-CH):

Member, Faculty Council, Representing the Division of Health Affairs, 1977-1979, 1984-1985. Member, Committee on Faculty Hearings (elected), 1980-1985, Chair, 1984-1985. Member, Committee on the Status of Minorities and the Disadvantaged (elected), 1983-1985. Member, Faculty Appointments Nominating Committee, 1984-1985. Member, Chancellor's Faculty Advisory Committee (elected), 1986-1987.

UNC-CH School of Medicine:

Member, Graduate Education Committee, Department of Medical Allied Health Professions, 1973-1982. Member, Search Committee for Chairperson of the Department of Medical Allied Health Professions, 1978-1979. Member, Medical Faculty Grants Committee, 1983-1985.

Departmental Representative, Health Promotion/Disease Prevention Representative Group, 1984-1985. Member, Search Committee for Chairperson of the Department of Family Medicine, 1986-1987.

## Honors and Awards:

Phi Kappa Phi, B.S. with honors, 1965

American Physical Therapy Association:
Mary McMillan Scholarship, 1964-1965
APTA-VRA Fellowship, 1967-1968
Golden Pen Award for scientific writing, 1978
Research Award, Section on Pediatrics, 1984
Elected Catherine Worthingham Fellow, 1987
Distinguished Educator in Physical Therapy Award, Section on Education, 1988
Marian Williams Award for Research in Physical Therapy, 1991
Chattanooga Research Award, 1999

Honorable Mention for Excellence in Allied Health, American Medical Writers' Association, for *Physical Therapy for Children*, 1995

American Academy for Cerebral Palsy and Developmental Medicine, Patricia Miller Award, 1994; Lifetime Achievement Award, 2009

Teaching Recognition Award (all-campus faculty peer review), Council for Excellence in Teaching and Learning, University of Illinois at Chicago, 1997

Alumni Achievement Award, Program in Physical Therapy, University of Wisconsin-Madison, 2001

UIC University Scholar Award for excellence in research, 2002.

Pathways Pioneer Award, Pathways Awareness Foundation, 2008.

Jonas Salk Leadership Award for Research, March of Dimes, 2010.

Excellence in Research Award, National Association of Neonatal Therapists, 2019

Continuing Education Attended (selected):

APTA NEXT, Chicago, IL 2019; Academy of Pediatric PT Annual Conference, 2020; APTA Combined Sections Meeting, 2022.

World Confederation of Physical Therapy, Singapore, 2015; Geneva, Switzerland, 2019.

Therapeutic Interventions from Birth to Three Years: Transitioning from Intensive Care to Home, Chicago, IL 2014.

Therapeutic Strategies in Osteogenesis Imperfecta; Cultural Competency, Online education, 2014.

Update on SMA, Northwestern University, Chicago, IL 2010.

13<sup>th</sup> Annual Perspectives in Care Symposium: Health and Developmental Outcomes of Children Born Prematurely, Chicago, IL 2009

The IDEA Part C Early Intervention Programs: Implementing Recommended Competencies for Physical Therapists, Chicago, IL, 2008

Feeding and Swallowing Therapy, Cincinnati, OH, 2007

8<sup>th</sup> Annual Advanced Practice in Pediatric Physical Therapy Course, Cary, NC, 2005; San Antonio, TX, 2012.

III Step Conference: Linking Movement Science & Intervention, Salt Lake City, UT, 2005.

Insights Into Assessment, A Conference Focusing on Assessment in Early Intervention, Alsip, IL, 2006.

The IDEA Part C Early Intervention Programs: Implementing Recommended Competencies for Physical Therapists, APTA Section on Pediatrics, Chicago, IL 2008.

APTA Combined Sections meetings: annually.

Updated to June 2024
